SECTION -V (SPECIAL AND ADDITIONAL CONDITIONS)

The contractor shall read carefully the following conditions and shall quote accordingly.

1.0 EARNEST MONEY DEPOSIT:

- 1.1 **Validity period:** The validity period of Earnest Money deposit should be kept 30 days beyond the Tender validity i.e. 90+30=120 days, as the tender validity period is 90 days.
- 1.2 **Extension of Validity period:** In case, where the letter of award of work can not be placed with in the validity period of tender, the BSNL can request all tenderers to extend the validity of their respective tenders and the earnest money deposit by a reasonable period. In such cases, extension of validity of earnest money deposit by 30 days beyond the extended validity date of tender should also be asked for. While BSNL can make the request for extension, the tenderer is free to either extend the validity or refuse the request to extend the validity.
- 1.3 Release of Earnest Money Deposit: Earnest money deposit of all unsuccessful tenderers shall be released within one week of issue of tender acceptance letter to the successful tenderer. Where the BSNL requests the tenderer to extend the validity of the tender beyond the stipulated period given in the tender documents, and the tenderer refuses to extend the validity of his tender, the earnest money deposit of such tenderers shall be returned forthwith.
- 1.4 In case the work is not started by the contractor with in specified time frame, the EMD and full Performance guarantee will be forfeited absolutely .

2 PERFORMANCE GAUNTEE

- 2.1 The contractor is required to furnish performance guarantee for an amount equal to 3% of the contract value in the form of Bank Guarantee (of a Nationalized/ Scheduled Bank in a standard format) /CDR/FDR/DD within 15 days from the date of issue of award letter.
- 2.2 The validity period of the performance security in the form of performance bank guarantee shall be One Year from the date of actual completion of work
- 2.3 Firm has option to deposit performance guarantee in the form of bank guarantee in the prescribed format as per Annexure-III.

3.0 SECURITY DEPOSIT:

2.1 A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as earnest money will amount to security deposit of 10% of the tendered value of the work.

4.0 TAXES AND DUTIES:

- 4.1 The bidder shall give the total composite price inclusive of all Levies, Taxes & duties as applicable including EPF, ESI, Packing, Forwarding, Fright and insurance etc. but excluding of GST, as applicable.
- 4.2 No concessional Form except a Certificate stating that the tendered items are meant for the use of BSNL shall only be provided by BSNL on the request of the bidder as and when the firm asked for at the time of execution of work.
- 4.3 The GST invoice favoring to BSNL shall be issued by the firm for Input Tax Credit to BSNL.

4.4 VARIATION IN DUTY/TAXES:

- 4.4.1 Tendered rates will be inclusive of all the taxes and levies payable but exclusive of GST, as applicable, under the respective statutes. However, pursuant to the Constitution (Forty six Amendment) Act, 1982, if any further tax or levy is imposed by state after the date of receipt of tenders and the contractor (s) thereupon necessarily and properly pays taxes or levies the contractor(s) will be reimbursed such amounts paid, provided such payment, if any, is not in opinion of SE (E) (whose decision shall be final and binding) attributable to delay in execution of work.
- 4.4.2 The contractor (s) shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of BSNL and shall furnish such other information/documents as the Engineer-in-Charge may require.
- 4.4.3 The contractor (s) shall within a period of 30 days of imposition of any further tax or levy pursuant to the Constitution (Forty Six Amendment) Act 1982 give a written notice thereof, to the Engineer-in-Charge that the same is given pursuant to this condition together with all necessary information relating thereto.
- 4.4.4 In case of statuary variation in GST Rates, in accordance with directives of Govt. of India, under the GST act, , within the stipulated date of completion of individual agreement, the same shall be paid or recovered as per the actual against documentary proof. However, beyond this period BSNL will take advantage of any duty reduction but will not pay extra on account of duty increase.

5.0 EPF PROVISION

5.1 The contractor shall comply / fulfill the provisions of the EPF & Misc. Provisions Act.-1952 and Employees Provident Fund Scheme-1952 as amended up to date in respect of labourers/ Employees engaged by them for performing this work. Any consequences arising due to non-complying of the provisions as specified above shall be the sole responsibility of the firm only.

N

6.0 BID OPENING AND EVALUATION:

6.1 The bids shall be opened in the presence of bidders or their authorized representatives, who choose to attend, at 15:30Hrs. on the due date for tender opening. The bidder's representatives, who are present, shall sign in tender opening register.

7.0 CLARIFICATION OF BIDS:

7.1 To assist in the examination, evaluation and comparison of bids, the purchaser may, at its discretion ask the bidder for the clarification of its bid. The request for the clarification and the response shall be in writing. However, No post bid clarification at the initiative of the bidder shall be entertained.

8.0 EVALUATION OF BIDS:

8.0 BSNL shall evaluate the bids to determine whether they are complete, whether required sureties, Certificates & testimonials have been furnished, whether the documents have been properly signed and whether the bids are generally in order.

9.0 EVALUATION AND COMPARISON OF BIDS:

- 9.1 BSNL shall evaluate in detail the bids to see whether any computational errors have been made and compare the bids previously determined to be substantially responsive pursuant to **clause -8 above**.
- 9.2 Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected by the purchaser. If there is a discrepancy between words and figures, the amount in words shall prevail. If the supplier does not accept the correction of the errors, his bid shall be rejected.
- 9.3 The evaluation and comparison of responsive bid shall be done on the basis of Net Cost to BSNL inclusive of all levies, duties and taxes, EPF, ESI, Packing, Forwarding, Fright and insurance charges etc. but excluding GST on the price of items / Services offered . The lowest tenderer will be decided based on lowest total net cost to BSNL excluding of GST.
- 9.4 Vendors should furnish the correct GST invoice at applicable rates favouring to BSNL. If the input tax credit against this Invoice for the Duties and Taxes paid as GST is found to be non admissible at any stage to BSNL owing to wrong furnishing of GST Bill / Rate, than the vendor shall be liable to refund / recovery of such non admissible amount along with penalty, if any charged by the concerned authority. Than, BSNL reserves its right to deduct such non admissible amount from any pending bills or deposit of the vendor.
- 9.5 GST Invoice, as applicable, favouring the BSNL shall be issued by the contractor of each bill indicating correct GST at applicable rates as documentry proof to avail Input Credit of GST by BSNL. Correctness of GST invoice along with applicable rates and geniuness of documents shall rest with Vendor only.
- 9.6 The price quoted by the bidder shall remain fixed during the entire period of contract and shall not be subject to variation on any account. A bid submitted with an adjustable price quotation will be treated as non responsive and rejected. **No claim under "Clause- 10cc"** shall be entertained
- 9.7 GST as per Invoice issued by Vendor favouring to BSNL for this particular work shall be paid as extra as per applicable / notified rates by Govt of India.
- 9.8 **Discount, if any,** offered by the bidder shall not be considered unless specifically indicated in the price schedule. Bidders desiring to offer discount shall therefore modify their offer suitably while quoting and shall quote clearly net price taking all such factors like discount, free supply, etc. into account.
- 9.9 No advance payments can be made. The payment is governed by the normal department practice and stipulations like levy of interest if payment is not made in a specified time is also not acceptable.

10.0 INCREASE/DECREASE OF TENDER QUANTITY:

10.1 As per clause - 12.3 of BSNL EW-8 contract condition.

11.0 TERMS OF PAYMENT:

- 11.1 Payment to the contactors during progress of work will be regulated as below:
- (a) Monthly payment shall be made for satisfactory performed of monthly maintenance & operation on a certificate from the contractor with each bill that maintenance & operation has been carried out properly and all the testing/drills/ servicing/repairing/replacement etc. required during the period have been performed. This certificate has to be countersigned by the SDE (E) in charge. (N/A)

N

- (b) Vendors to raise monthly invoice with all supporting documents .
- 11.2 **No payment** will be made for goods/equipment rejected and services not maintained satisfactory at the site on testing/verification. Payment, if made, for such items shall be recovered from subsequent bills or other bills of the contractor.
- 11.3 BSNL shall deduct statutory taxes and duties from payments due to the firm as per rules of the central/ State Government. The certificate for such deductions shall be issued to the firm by the Accounts Officer of the concerned Division.

11.4 Each claim bill of contractors must accompany the following:

- (a) List showing the details of labourers/employees engaged.
- (b) Duration of their engagement.
- © The amount of wages paid to such labourers/ employees for the duration in question.
- (d) Amount of EPF contributions (Both employer's & employees contribution) for the duration of engagement in guestion paid to the EPF authorities.
- (e) A declaration from the contractors regarding compliance of the conditions of EPF-Act, 1952.
- (f) GST Invoice (as applicable) favouring the BSNL, indicating correct GST, as applicable rates, as documentry proof to avail Input Credit of GST by BSNL in accordance with clause 9.5 of section V above.
- 11.5 The bill passing authority will check the payment particulars regarding EPF contribution furnished by the contractors along with the bill as mentioned in Para 16.4 above and keep full records of the payments etc. each contract wise. The bill will be passed by the bill passing authority only if the contractor complies with the Terms and conditions of EPF Act, 1952.

12.0 OPERATION OF CONTRACT:

- 12.1 This is tender for work as mentioned in the name of work.
- 12.2 After tender is accepted, Agreement will be made in between the SDE (E) concerned and the contractor on the basis of tender approved.
- 12.3 Operation of this contract is for bonafide use of BSNL only and is further restricted to only for such works as are authorized by BSNL.

13.0 STORES AND SAFETY :

- 13.1 All the stores and materials required for the satisfactory completion of the work shall be arranged at site by the contractor from his own sources. Lockable space for storing the material may be provided on request. However, safe custody of the material stored at site will be responsibility of the contractor till the completion/ handing over of the work.
- 13.2 Before dispatch to site, the equipment/ component/ materials shall be properly packed so as to afford protection against transit damages and damages against storage in open areas either at transporter's premises or at work site. However, damaged items shall be replaced as per the direction of Engineer In Charge.

14.0 COORDINATION AT SITE:

14.1 At the site of work more than one agency may be working. Full co-operation shall be extended to other agencies during progress of work. The work will be carried out in such a way so that it may not cause abnormal noise and hindrance to the officers of the BSNL engaged in erection as well as to normal routine work.

15.0 GUARANTEE, MAINTENANCE & DEFECTS LIABILITY :

- 15.1 On completion of the contract, the contractor shall certify and get verify from the Engineer in charge that all equipments/Installations are free from any defect due to defective material and bad workmanship/services and also the equipments/ Installations shall work satisfactorily with performance and efficiencies not less than the rated values corresponding to the life of equipments/ Installations.
- 15.2 Any equipment/ Installation found defective on verification shall be replaced/ rectified free of cost by the contractor. The services of the contractor's personnel, if required during this period shall be made available free of cost to the BSNL.

15.3 In case, the contractor fails to depute his representative within 48 hours of notification of defects or fails to cause remedial measure within reasonable time after intimation given by the Engineer in charge in writing or telephonically, the BSNL may proceed to do so at the contractor's risk and expenses and without prejudice to any other right of the BSNL to recover such expenses.

16.0 DATE OF COMPLETION:

- 16.1 The work shall be deemed to have been completed after the fulfillment of the following:
- 16.2 The date of satisfactory completion of the contract including extended period under deviation free from any defect and handed over to Department / New agency for next contract without any interruption of services.

17.0 BYE-LAWS, INDEMNITY AGAINST LIABILITIES:

- 17.1 The contractor shall comply with all bye-laws and regulations of local and statutory authorities having jurisdiction over the works and shall be responsible for payment of all fees and other charges and giving/ receiving all necessary notices and keep the Engineer-in-charge informed about the notices issued and received.
- 17.2 The contractor shall indemnify the BSNL against all claim in respect of patent rights, design, trade mark or name of other protected rights in respect of any plant, machine, work or materials used for or in connection with the work or temporary works and from and against all claims, demands, proceedings, costs, charges and expenses whatsoever in respect of or in relation thereon. The contractor shall defend all actions arising from such claims and shall him-self pay all royalties.
- 17.3 License fees, damages, cost and charges of all and every sort that may be legally incurred in respect thereof shall be borne by the contractor.
- 17.4 All liabilities/ penal recoveries on matters arising out of tax / excise/ levies such as incorrect deductions, discrepancies in the filing of returns, revised assessment by the concerned authorities etc. shall be borne by the contractor.
- 17.5 It is contractor's liability to follow all safety procedures in accordance with relevant I.S. amended up to date during execution of work at site.

18.0 IMPORTANT NOTE:

- 18.1 The clauses/conditions as modified in the tender shall supersede the relevant conditions of BSNL/CPWD 6/8. The other conditions shall be as per BSNL/CPWD 6/8.
- 18.2 Dept. reserve the right for forclosure of the agreement any time during the currancy of contract period without giving any notice.
- 18.3 The execution of work will be done in presence of SDE(E)/JTO (E) or his authorised representative and certificate from concerned SDE(E), of satisfactory work.
- 18.4 completion of work will 10 Days, which will be reckoned from 7 th days from the date of award.
- 18.5 Generally materials needed for ectifiaction of defects have to be arranged by the firm at his own cost. Materials arranged by contractor shall be of makes as per the list of approved makes attached, the materials not available in the approved makes list shall be of good quality of makes (ISI) duly approved by Engineer-in-charge. For specific details in this regard refer section relevant to service.
- 18.6 Replacement of defective/damanged material shall be on like by like/ approved make basis.
- 18.7 Dismantled materials shall be returned to the Department except those items for which the replacement is supplied by the agency.
- 18.8 To ensure timely replacement of faulty items, spare material required as per schedule of inventory shall be maintained at nodal station/stations. The list of material and their quantities in proportionate to quantum of work involve in the contract and name of station/stations will be declared by Engineer-in-charge at the time of commencement of the work
- 18.9 Any damage to the installation(s)/building during the maintenance period due to the carelessness on part of the maintenance staff shall be the responsibility of firm & be replaced/rectified without any extra cost
- 18.10 Any accident or damage during maintenance will be the responsibility of the agency & the Department will not entertain any claim, compensation, penalty etc. on this account or on account of non-observance of any other requirement of law relevant to his work.
- 18.11 Agency has to observe all the labour rules & regulation in-force
- 18.12 The Department reserves the right to carry out any work at the risk and cost of the agency, if the agency fails to perform any duty as per the contract
- 18.13 The contractor shall be rectify the defects as intimated by Engineering in charge with in 3 hour in urban area (in Jaipur) and 8 Hrs in rural area.
- 18.14 In case the contractor fails to rectify and attend to the fault as per performance level. BSNL shall be at liberty to get the same carried out from any other agency at the risk & cost of original contractor and recover the amount from the bills of the contractor. Intimation sent through SMS/E-mail shall be considered sufficient notice. The decision/intimation by EE (E) shall be final.

For & on behalf of BSNL Signature _____ Designation

	Convert Dulos & Directions
1	General Rules & Directions All works proposed for execution by contractor will be notified in a form of invitation to tender displayed on Notice Board in select BSNL offices and signed
1	An works propose for execution by contractor will be notified in a control in window to reflect usphayed on rouce board in select bark onces and signed by the officer inviting tender to by publication in News papers/internet (designated web page) as the case may be.
2	This form will state the work to be carried out, as well as the date of submitting and opening tenders and the time allowed for carrying out the work; also the
	amount of earnest money to be deposited with the tender, and the amount of performance guarantee to be deposited by the successful tenderer(s). Copies of the
	specifications, designs and drawings and any other documents required in connection with the work signed for the purpose of identification by the Officer
	inviting tender shall also be open for inspection by the contractor at the office of Officer inviting tender during off ice hours.
3	In the event of the tender being submitted by a firm it must be signed by the authorised signatory.
4	Receipts for payments made on account of work when executed by a firm, must also be signed by authorised signatory.
5	Any person who submits a tender shall fill up the usual printed form stating at what rate he is willing to undertake each item of the work. Tenders, which
	propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other condition of any sort, including conditional rebates will be summarily rejected. However, tenders with unconditional rebate will be acceptable. No single tender
	shall include more than one work, but contractors will be summary rejected, now-ver, tenders will uncontinuous reduct will be acceptate. No single tender shall include more than one work, but contractors who wish to tender for two or more works shall submit separate tender for each. Tenders shall have the name
	and number of the works to which they refer written on the envelopes.
	The rates(s) must be quoted in decimal coinage. Amounts must be quoted in full rupees by ignoring fifty paise and considering more than fifty paise as rupee one.
6	The Officer inviting tender or his duly authorised assistant will open tenders in the presence of any intending contractors who may be present at the time, and will
0	enter the amounts of the several tenders in a Comparative Statement in a suitable form. In the event of a tender being accepted a receipt for the earnest money
	forwarded therewith shall thereupon be given to the contractor who shall thereupon for the purpose of identification sign copies of the specifications and other
	documents mentioned in Rule 1. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall thereupon be returned to the
7	contractor remitting the same without any interest. The officer inviting tenders shall have the right of rejecting all or any of the tenders, and, will not be bound to accept the lowest or any other tender.
8	The orneed inviting densets shall have using in rejecting an of any of the fenders, and, will not be bound to accept the lowest of any other fender. The receipt of an accountant or clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the Officer inviting tender
	and the contractors shall be responsible for seeing that he procures a receipt signed by the concerned Accounts Officer.
9	The memorandum of work tendered for and the schedule of materials to be supplied by BSNL shall be filled and completed in the office of the Officer inviting
	tender before the tender form is issued. If a form is issued to an intending tenderer without having been so filled in and incomplete, he shall request that the sentence of delivery bis sender to be a sentence of delivery bis sender.
10	officer to have this done before he completes and delivers his tender. The tenderer shall sign a declaration under the officials S ecret Act, 1923 for maintaining secrecy of the tender documents drawings or other records connected with
-	the work given to them. The unsuccessful tenderers shall return all thewith the work given to them. The unsuccessful tenderers shall return all thewith the
	given to them.
11	Rates quoted by the Contractor in the tender both in figures and words shall be accurately filled-in so that there is no discrepancy in the rates written in figures
	& words. However, if a discrepancy is found the rates which correspond with the amount worked out by the contractor shall unless otherwise proved be taker
	as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written in either in figures or words then the rates
	quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally but the amount is not worked ou
	correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount.
12	Performance Guarantee:
	The contractor is required to furnish performance guarantee for an amount equal to 3% of the contract value in the form of bank guarantee / CDR/FDR/DD (of
	a nationalized / Scheduled Bank in a standard format) within two weeks from the date of issue of award letter. The validity period of the performance security in the form of performance bank guarantee shall be one year from the date of actual completion of work.
	Security deposit:
	In addition to performance guarantee stated above, a sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sun
	deducted will amount to security deposit of 3% of the Tendered value of the work.
13	All rates shall be quoted on the tender form. The amount for each item should be worked out and requisite totals given. Special care should be taken to write the
	rates in figures as well as in words and the amount in figures only, in such a way that interpolation is not possible. The total amount should be written both ir figures and words. In case of figures, the word 'Rs.' Should be written before the figure of rupees and word 'P' after the decimal figures, e.g. 'Rs.2.15 P' and in case of
	words, the word, ' Rupees' should precede and the word 'Paise' should be written at the end. Unless the rate is in whole rupees and followed by the word 'only' i
	should invariably be upto two decimal places. While quoting the rate in schedule of quantities, the word' 'only' should be written closely following the amount
	and it should not be written in the next line.
14A	The bidder shall give the total composite price inclusive of all Central & state's levies and taxes i.e. Sales-tax, purchase tax, turnover tax, service tax, works contract tax etc.or any other taxes or duties like octroi, local area development tax on materials/labour etc
14B	The total composite price shall comprise of unit price and all other components of price need to be individually indicated/quoted against the
	goods/material/service.it proposes to supply under the contract in the following manner:-
	i) The Basic Unit Price (Ex-Factory Price) of the goods /services/ materials Excise Duty, Sales Tax, Freight, Forwarding ,Packing , service tax, insurance and any
	other levies (charges already paid or payable by the contractor/supplier shall be quoted separately.
	 ii) The liability to pay all taxes, levies, etc shall be of contractor and BSNL will not entertain any claim whatsoever in this respect. iii) The invoice for excise duty/equivalent duty/service tax paid favoring BSNL shall be issued by the firm.
14C	No concessional for use of a last Tax form 'C' for the items as specified in the schedule of works and meant for use in BSNL, shall be provided by BSNL. Form 'C
	shall be provided by the BSNL only on the specific request of the contractor."
	(i) BSNL shall evaluate in detail the financial bids to see whether any computational errors have been made and compare the bids previously determined to be
	substantially responsive pursuant to clause -8 above (ii) Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and total price that is obtained by multiplying
	the unit price and quantity, the unit price shall prevail and the total price shall be corrected by the purchaser. If there is a discrepancy between words and figures, the
	amount in words shall prevail. If the supplier does not accept the correction of the errors, his bid shall be rejected.
	(iii) The evaluation and comparison of responsive bids shall be done on the basis of Net cost to BSNL on the prices of the goods offered inclusive of Duties and
	Taxes (B ut excluding CENVAT-able duties & Taxes) as indicated in the Price Schedule in Section -VIII of the Bid Document.
	(iv) Vendors should furnish the correct Excise Duty & Service tax in the price schedule. If the credit for the Duties and Taxes under CENVAT credit Rules-2004
	is found to be not admissible at any stage subsequently owing to wrong furnishing of Tariff, then the vendors will be liable to refund such non admissible amount
	if already paid along with penalty if charged by the concerned authority. BSNL reserves its right to deduct such amount from any pending bills or deposit of the vendor. (v) The price quoted by the bidder shall remain fixed during the entire period of contract and shall not be subject to variation on any account. A bid submitted with an
	(v) the price quoted by the black shart channel incention in the during the chart of contact and shart how to subject to variation any account. A bit submitted with an adjustable price quotation will be treated as non - responsive and rejected. No claim under "Clause-10cc" shall be entertained.
	(vi) DISCOUNT, if any, offered by the bidders shall not be considered unless specifically indicated in the price schedule. Bidders desiring to offer discount shall
15A	therefore modify their offers suitably while quoting and shall quote clearly net price taking all such factors like Discount, free supply, etc, into account". However, pursuant to the constitution (forty-sixth amendment) act, 1982, if any further tax or levy is imposed by statute, after the last date of receipt of tenders
150	and the contractors thereupon necessarily and properly pays such taxes/ levies, the contractor shall be reimbursed the amount so paid, provided such payment, if any
	is not in the opinion of Superintending engineer (whose decision shall be final and binding) be attributable to delay in execution of work within the control of
	contractor.
15B	The contractor shall keep necessary books of account and other documents for the purpose of this condition as may be necessary and shall allow inspection of
	the same by a duly authorized representative of BSNL and further shall furnish such other information/document as engineer-in-charge may require.

<u>EE(E)</u>

lownloaded doc	. The Contractor shall, within a period of 30 days of imposition af any function tax or levy in pursuant to the constitution of (forty sixth amendment) act 198
	written notice thereof to the Engineer-in-charge that the same is given pursuant to this condition, together with all necessary information relating thereto.
17	The tender for the work shall not be witnessed by a contractor or contractors who himself/ themselves has/have tendered or who may and has/have tendered f or the san
	work. Failure to observe this condition would render, tenders of the contractors tendering, as well as witnessing the tender, liable to summary rejection.
18	Other agencies will also simultaneously execute the works like horticulture, external services, installation of telephone exchange equipment and other building works for
10	the same project along with this work in particular. The contractor shall afford necessary facilities for the same. No claim in the matter shall be entertained.
19	Some restrictions may be imposed by the security staff etc. On the working and/or movement of labour, material etc., The contractor shall be bound to follow all sucrestrictions /instructions and nothing extra shall be payable on this account.
20	The contractor shall comply with the provisions of the Apprentices Act 1961, and the rules and orders issued thereunder from time to time. If he fails to do so, h
	failure will be a breach of the contract and the Engineer-in-charge may in his discretion without prejudice to any other right or remedy available in law canceled and the contract and the Engineer-in-charge may in his discretion without prejudice to any other right or remedy available in law canceled and the contract and the Engineer-in-charge may in his discretion without prejudice to any other right or remedy available in law canceled and the engineer-in-charge may in his discretion without prejudice to any other right or remedy available in law canceled and the engineer-in-charge may in his discretion.
21	the contract. The contractor shall also be liable for any pecuniary liability arising on account of any violation by him of the provisions of the said Act.
21	No engineer of gazetted rank or executive of BSNL employed in engineering or administrative duties in an engineering department of the government of India/BS NL is allowed to work as a contractor for a period of two years of his retirement from government service without the previous permission of
	government of India/BSNL. This contract is liable to be cancelled if either the contractor or any of his employee is found at any time to be such a person who ha
	not obtained the permission of government of India as foresaid, before submission of the tender or engagement in the contractor's service as the case may be.
22	Near relatives of all BSNL employees either directly recruited or on deputation are prohibited from participation in tenders and execution of works in the difference of PONI. The supercluster of the supercl
	units of BSNL. The near relatives for this purpose are defined as: a) Members of a Hindu Undivided family.
	b) They are husband and wife.
	c) The one is related to the other in the manner as father, mother, son(s) & son's wife(daughter-in-law), Daughter(s) & daughter's husband(son-in-law), brother(& brother's wife, sister(s) & sister's husband(brother -in-law).
23	The company or firm or any other person is not permitted to tender for works in BSNL Unit in which his near relative(s) is(are) posted. The unit is define
	as SSA/Circle/Chief Engineer/Chief Archt/Corporate office for non executive employees and all SSA in a circle including circle office/Chief Eng/Chi
	Archt./Corporate office for executive employees (including those called as Gazetted officers at present). 	observation period of 12 months after the date of Completion of work along with Performance Guarantee.
	CLAUSE 2
Compensation	2.1 If the contractor fails to maintain the required progress in terms of clause 5 or to complete the work and clear the site on or before the contract of
for Delay	extended date of completion, he shall, without prejudice to any other right or remedy available under the law to BSNL on account of such breach, pa
	as agreed compensation the amount calculated at the rates stipulated below or such smaller amount as decided by the Superintending Engine
	(whose decision in this regard shall be final and binding).
	i) First ten weeks - 0.5% of contract value per week
	ii) Next ten weeks - 0.7% of contract value per week
	2.2 Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 12% of the tendered
	value of work. The amount of compensation may be adjusted or set-off against any sum payable to the contractor under this or any other contract with
	BSNL.
	2.3 For the purpose of grant of extension of time, air conditioning, Engine Alternator, Fire detection work is deemed to have been completed after
	successful completion of the initial acceptance testing by T&D Circle and as per BSNL standards. For Sub Station, the date of clearance from
	electrical inspector and for wet riser system date of clearance from concerned Fire authority is taken as deemed date of completion. For lift the
	date of completion shall be taken as the date of clearance from the lift inspector.
	CLAUSE 3
	3.0 Subject to other provisions contained in this clause the engineer-in-charge may without prejudice to his right against the contractor in respect of
Can be	any delay, or inferior workmanship or otherwise to any claims for damage in respect of any breaches of the contract and without prejudice to an
Determine	rights or remedies under any of the provisions of this contract or otherwise and whether the date for completion has or has not elapsed by notice
	writing absolutely determine the contract in any of the following cases
	(i) If the contractor having been given by the engineer-in charge a notice in writing to rectify, reconstruct or replace any defective work or that the
	work is being performed in any inefficient or otherwise improper or unworkman like manner shall omit to comply with the requirements of suc
	notice for a period of seven days thereafter.
	(ii) If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receive
	or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or creditor to appoint a receiver or a manage
	or which entitle the court to make a winding up order. (iii) If the contractor has, without reasonable cause suspended the execution of the work or has failed to proceed with the work with du
	diligence so that in the opinion of the engineer-n-charge(which shall be final and binding) he will be unable to secure completion of the work b the date for completion and continues to do so after a notice in writing of seven days from the Engineer-in-Charge.
	(iv) If the contractor fails to complete the work within the stipulated date or items of work with individual date of completion, if any stipulated, on o
	before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in
	Charge.
	(v) If the contractor persistently neglects to carry out his obligations under the contract and/or commits default in complying with any of the tern
	and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in the
	behalf by the Engineer-in-Charge.
	(v) If the contractor commits any acts mentioned in clause 21 hereof. When the contractor has made himself liable for action under any of the case
	aforesaid, the engineer-in charge on behalf of the BSNL shall have powers.
	a) To determine or rescind the contract as aforesaid(of which termination or rescission notice in writing to the contractor under the hand of
	the engineer-in- charge shall be conclusive evidence) upon such determination or rescission the full performance guarantee and security deposit of the
	contractor shall be liable to be forfeited and shall be absolutely at the disposal of BSNL. If any portion of the performance guarantee and securi
	deposit has not been paid or received it would be called for and forfeited.
	b) To employ labour paid by BSNL and to supply materials to carry out the work or any part of the work debiting the contractor with the cost of
	the labour and the price of the materials(of the amount of which cost and price certified by the engineer in charge shall be final an
	conclusive against the contractor) and crediting him with the value of the work done in all respects in the same manner and at the same rates as if
	had been carried out by the contractor under the terms of this contract. The certificate of divisional officer as to the value of the work do
	shall be final and conclusive against the contractor provided always that action under the sub clause shall only be taken after giving notice in writing
	the contractor. Provided also that if the expenses incurred by BSNL are less than the amount payable to the contractor at his agreement rates, the different
	should not be paid to the contractor.
	c) After giving notice to the contractor to measure up the work of the contractor and to take such whole or the balance or part thereof as shall t
	unexecuted out of his hands and to give it to another contractor to complete in which case any expenses which may be incurred in excess of the su
	which would have been paid to the original contractor if the whole work had been executed by him(of the amount of which excess the certificate
	writing of the engineer-in-charge shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from an
	money due to him by BSNL under this contract or on any other account whatsoever or from his performance guarantee or the proceeds of sales thereof
	a sufficient part thereof as the case may be. If the expenses incurred by BSNL are less than the amount payable to the contractor at h
	agreement rates, the differences shall not be paid to the contractor. The contractor whose contract is determined or rescinded as above shall not be allowed
	participate in the tendering process for the balance work. In the event of any one or more of the above courses being adopted by the engineer-i
	charge the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured an

	performance guarantee absolutely.
	performance guarance absolutely.
	5.1 To ensure good progress during the execution of the work, the contractor shall be bound in all cases in which the time allowed for any wo
I	exceeds, one month(save for special t h jobs) to complete 1/8 of the whole of work before 1/4 th of the whole time allowed under th the contract h
	elapsed; 3/8 of the work before 1/2 of such time has elapsed, and 3/4 th of the work, before 3/4 of such time has elapsed. For special jobs, if a time
l .	schedule has been submitted by the contractor and the same has been accepted by the engineer-in- charge, the contractor shall comply with the sa
	time schedule
	5.2 If the work(s) be delayed by:-
	i) force majeure, or
ļ	ii) abnormally bad weather, or
	iii) serious loss or damage by fire, or
	iv) civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
	v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-charge in executing work not forming part of the contract or
	(i) Non-multiplitude of stand which and the compacibility of DSNI as small.
	vi) Non-availability of stores, which are the responsibility of BSNL to supply.
I	vii) Then upon the happening of any such event causing delay, the contractor shall immediately give notice thereof in writing to the Engineer-i Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required
	the atisfaction of the Engineer-in-Charge to proceed with the works.
	the adstaction of the Engineer-in-Charge to proceed with the works.
	5.3 Request for extension of time, to be eligible for consideration, shall be made by the contractor in writing within 30 days of the happenin
	of the event causing delay. The contractor may also, if practicable, indicate in such a request the period for which extension is desired. No
	application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-charge and this shall
	binding on the contractor.
	CLAUSE 6
Measurement	6.1 All measurement of all items having financial value shall be entered in Measurement Book so that a complete record is obtained of all works performed
of Work Done	under the contract.
	6.2 All Measurements shall be taken jointly by the Engineer-in-charge or his authorized representative and by the contractor or his authoriz
	representative from time to time during the progress of the work and such measurements shall be signed and dated by the Engineer-in-charge and the
	contractor or their representatives in token of their acceptance. If the contractor objects to any of the measurements recorded, a note shall be made
	to that effect with reason and signed by both the parties. 6.3 If for any reason the contractor or his authorized representative is not available and the work of recording measurements is suspended by the
	Engineer-in-charge or his representative, the Engineer-in-charge and the BSNL shall not entertain any claim from contractor for any loss
	damages on this account. If the contractor or his authorised representative does not remain present at the time of such measurements after the
	contractor or his authorised representative has been given a notice in writing three(3) days in advance or fails to countersign or to record objection within
	week from the date of the measurement, then such measurements recorded in his absence by the Engineer-in-charge or his representative shall
	deemed to be accepted by the contractor.
	6.4 The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for recordin
	measurements.
	6.5 Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordan
	with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurement or any general
	local custom. In the case of items which are not covered by specifications, measurements shall be taken in accordance with the relevant standa
	method of measurement issued by the Bureau of Indian Standards and if for any items no such standard is available then a mutually agreed method shall l
	followed.
	6.6 The contractor shall give not less than seven days notice in writing to the engineer-in-charge or his authorized subordinate in charge of the wo
	before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and corre
	dimensions thereof be taken before the same is covered up or placed beyond the reach of measurement and shall not cover up and place beyond
	the reach of measurement any work without the consent in writing of the engineer-in-charge or his authorized subordinate in-charge of the work who sha
	within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of measurement without sur
	notice having been given or the engineer-in-charge's consent being obtained the same shall be uncovered at the contractor's expense, or in defau
	thereof no payment or allowance shall be made for such work or the materials with which the same was executed.
	6.7 Engineer-in-charge or his authorized representative may cause either themselves or through another officer of BSNL to check the measurement
	recorded jointly or otherwise as aforesaid and all provisions stipulated herein above shall be applicable to such checking of measurements.
	6.8 It is also a term of this contract that recording of measurements of any item of work in the measurement book and/or its payment book and/or i
	interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relate
	nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defects liability period.
	CLAUSE 7
Payment on	7.1 No payment shall be made for a work estimated to cost rupees Twenty thousand or less till after the whole of the work shall have been completed and
intermediate Certificate to be	certificate of completion given. But in the case of a work estimated to cost more than Rs. Twenty thousand interim or running account bills sha
regarded as	be submitted by the contractor for the work executed on the basis of recorded measurements. The contractor shall not be entitled to be pa
advance	any interim payment if the gross work done since the last payment is less than Rs. Twenty thousand. 7.2 Interim payment on account of amount admissible shall be made by the Engineer-in-charge certifying the sum to which the contractor

	a) 80% of prorata of the approved price breakup of contract value on receipt of equipment at site and after satisfactory physical inspection.
	b) 10% of prorata of the approved price breakup of contract value after successful installation of equipment.
	c) 5% of the approved contract value after successful completion of Initial acceptance testing.
	d) 5% of the approved contract value after successful completion of the final acceptance testing.e) For the works where A/T is not applicable e.g. for substation, lift, fire fighting etc. 5% of the approved contract value shall be released aff
	clearance by Electrical inspector/lift inspector/ Fire officer respectively.
	7.3.2 Payment to the contractors for Air Conditioning and Engine Alternator, during progress of work, will be regulated as below :-
	(a) In respect of part 'A' agreement 95% of the approved price on receipt of equipment at site and after satisfactory physical inspection. For claimi
	this payment, the following documents are to be submitted to the paying authority.
	(i) Excise Gate Pass / Invoice or equivalent document.
	(ii) Delivery Challan.
	(iii) Consignee receipt.
	(iv) Proof of payment of Entry Tax etc., if any.
	(b) The balance 5% payment shall be made after Successful Installation, Commissioning and acceptance testing of equipment. © In respect of part '
	agreement prorate payment up to 75% of agreement rates shall be made on completion of physical installation. (d) No payment will be made for goods/equipment rejected at the site on testing. Payment, if made, for such items shall be recovered from subseque
	bills or other bills of the supplier.
	(e) BSNL shall deduct statutory taxes and duties from payments due to the firm as per rules of the central/ State Government. The certificate for su
	deductions shall be issued to the firm by the Accounts Officer of the concerned Division.
	(f) Each claim bill of contractors must accompany the following:
	(i) List showing the details of labourers/employees engaged.
	(ii) Duration of their engagement.
	(iii) The amount of wages paid to such labourers/ employees for the duration in question.
	(iv) Amount of EPF contributions (Both employer's & employees contribution) for the duration of engagement in question paid to the EPF authorities.
	(v) Copies of authenticated documents of payments of such contribution to EPF-authorities.authorities.
	(vi) A declaration from the contractors regarding compliance of the conditions of EPF-Act, 1952.
	(g) The bill passing authority will check the payment particulars regarding EPF contribution furnished by the contractors along with the bill
	mentioned in Para 16.4 above and keep full records of the payments etc. each contract wise. The bill will be passed by the bill passing author only if the contractor complies with the Terms and conditions of EPF Act, 1952.
	7.4 All such intermediate payments shall be regarded as payments by way of advance against the final payment only and not as payments for wo
	actually done and completed and shall not preclude the requiring of bad, unsound and imperfect or unskilled work to be removed and tak
	away and reconstructed or re-erected or be considered as an admission of the due performance of the contract or any part thereof in any respect or t
	accruing of any claim nor shall it conclude, determine or affect in any way the powers of the engineer-in-charge under these conditions or any
	them as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract.
	7.5 Pending consideration of extension of date of completion interim payments shall continue to be made as herein provided, without prejudice to the rig
	of BSNL to take action under the terms of this contract for delay in the completion of work, if the extension of date of completion is not granted
	the mpetent authority.

the Contractor	
	charged in respect thereof. The contractor shall be bound to procure them from Engineer-in-charge. ii) As soon as the work is awarded, the contractor shall finalize the program for the completion of work as per clause 5 of this contract ar shall give his estimates of materials required on the basis of drawings/or schedule of quantities of the work. The Contractor shall give is writing his equirement to the Engineer-in-charge which shall be issued to him keeping in view the progress of work as assessed by the Engineer in-charge.
	iii) The contractor shall see that only the required quantities of materials are got issued. Any such material remaining unused and in perfectly god
	condition at the time of completion or determination of the contract shall be returned to the Engineer-in-charge at the stores from which it was issue
	or at a place directed by him by a notice in writing. The contractor shall not be entitled for loading, transporting, unloading and stacking of
	such unused material except for the extra transportation, if any involved, beyond the original place of issue. iv) The contractor shall bear the cost of getting the material issued, loading, transporting to site, unloading, storing under cover as require
	assembling and joining the several parts together as necessary.
	v) All stores/materials so supplied to the contractor or procured with the assistance of BSNL shall remain the absolute property of BSNL and the contractor shall be the trustee of the stores/materials, and the said stores/materials shall not be removed/disposed off from the site of the work on an analysis of the stores/materials.
	account and shall be at all times open to inspection by the Engineer-in-charge or his authorized agent. vi) In the event of breach of the aforesaid condition, the contractor shall in addition to throwing himself open to account for contravention of the
	terms of the licenses or permit and/or for criminal breach of trust, be liable to BSNL for all advantages or profits resulting or which in the usual cour would have resulted to him by reason of such breach. Provided that the contractor shall in no case be entitled to any compensation or damages of account of any delay in supply or non-supply thereof all or any such materials and stores provided further that the contractor shall be bound execute the entire work if the materials are supplied by BSNL within the original scheduled time for completion of the work plus 50% thereof schedule time plus 6 months wchever is more if the time of completion of work exceeds 12 months but if a part of the materials and store supplied within the aforesaid period then the contractor shall be bound to do so much of the work as may be possible with the materials and store supplied in the aforesaid period. For the completion of the rest of the work, the contractor shall be entitled to such extension of time as may be
	CLAUSE 10A The contractor shall, at his own expense, provide all materials, required for the works other than those which are stipulated to be supplied by BSNI
	 The contractor, shall at his own expense and without delay, supply to the Engineer-in-charge samples of materials to be used on the wo and shall get these approved in advance. All such materials to be provided by the contractor shall be in conformity with the specifications la
	down or eferred to in the contract. The contractor shall, if requested by the Engineer-in-charge furnish proof, to the satisfaction of the Engineer
	in-icharge that the materials so comply. The Engineer-in-charge shall within thirty days of supply of samples or within such further period a he may require intimate to the contractor in writing whether samples are approved by him or not. If samples are not approved, the contract
	shall forthwith arrange to supply to the Engineer-in-charge for his approval fresh samples complying with the specifications laid down in the contract. When
	materials are required to be tested in accordance with specifications, approval of the Engineer-in-charge shall be issued after the test results ar received.
	ii) The contractor shall at his risk and cost submit the samples of materials to be tested or analysed and shall not make use of or incorporate in th work any materials represented by the samples until the required tests or analysis have been made and materials finally accepted by the Engineer-in charge. The contractor shall not be eligible for any claim or compensation either arising out of any delay in the work or due to any corrective measure required to be taken on account of and as a result of testing of materials.
	iii) The Engineer-in-charge or his authorized representative shall at all times have access to the works and to all workshops and places where work being prepared or from where materials, manufactured articles or machinery are being obtained for the works and the contractor shall afford ever facility and every assistance in obtaining the right to such access.
	i) The Engineer-in-charge shall have full powers to require the removal from the premises of all materials which in his opinion are not in accordance wi
	the specifications and in case of default the Engineer-in-charge shall be at liberty to employ at the expense of the contractor other persons to remov
	the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The engineer-in-charge shall also
	have full powers to require other proper materials to be substituted thereof and in case of default the engineer-in-charge may cause the same to be supplied
	and all costs which may attend such removal and substitution are to be borne by the contractor. CLAUSE 10B
	The contractor(s) shall make his/their own arrangements for water/electricity required for internal/external electrification work and nothing extra w be paid for the same. In respect of specialized works like DG Set, Air conditioning, Fire Detection etc. water/ electricity supply shall be mad available by BSNL free of cost for erection/testing.
1	CLAUSE 10 C In respect of Contracts with stipulated time period of completion being less than18(Eighteen) months, if after submission of the tender the wages of
	labour increases as a direct result of the coming into force of any fresh law, or statutory rule or order and such increase exceeds ten per cent of the
	wages prevailing at the time of the last stipulated date for receipt of the tenders including extensions if any for the work, and the contractor thereup
	necessarily and properly pays in respect of labour engaged on the execution of the work such increased wages, then the amount of the contra shall accordingly be varied. Provided always that any increase so payable is not, in the opinion of the Superintending Engineer (whose decision
	shall be final and binding on the contractor) attributable to any delay in the execution of the contract within the control of the contractor.
	Provided, however, no reimbursement shall be made if the increase is not more than10% of the said wages, and if so, the reimbursement shall be made only on the excess over 10% and provided further that any such increase shall not be payable if such increase has become operative after the contra or extended date of completion of the work in question.
	If after submission of the tender, the wages of labour is decreased as a direct result of the coming into force of any fresh law or statutory rules or order ar such decrease exceeds ten per cent of the wages prevailing at the time of receipt of the tender for the work, the BSNL shall in respect of labour engaged on the execution of the work after the date of coming into force of such law statutory rule or order be entitled to deduct from the dues of the contractor such amount as shall be equivalent to the difference between the wages as prevailed at the time of the last stipulated date for receipt of tende including extensions if any for the work minus ten per cent thereof and the wages of labour on the coming into force of such law, statutory rule order.

	stating that the same is given pursuant to this condition together with all information relating thereto which he may be in position to supply CLAUSE 10 CC
	0CC.1 If the prices of materials (not being materials supplied or services rendered at fixed prices by BSNL in accordance with clause 10 A thereof
	and/or wages of labour required for execution of the work increase, the contractor shall be compensated for such increase as per provisions detaile
	below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation for escalation in prices shall be available only for the work done during the stipulated period of the contract including such period for which the contract is validity extended under the
	provisions of clause 5 of the contract without any action under Clause 2 . However, for the work done during the justified period extended as above
	the compensation as detailed below will be limited to prices wages prevailing at the time of stipulated date of completion or as prevailing for the
	period under consideration, whichever is less. No such compensation shall be payable for a work for which the stipulated period of completion is
	18 months or less. Such compensation for escalation in the prices of materials and labour when due, shall be worked out based on the followin provisions:
	- A)
	For Lift Work:
	In respect of works relating to supply and installation of lifts/escalators price variation clause as per IEEMA shall be applicable. B) For work other than lift:
	i) The base date for working out such escalation shall be the last date of receipt of tenders including extension, if any.
	ii) The cost of work on which escalation will be payable shall be reckoned as below :-
	 a) Gross value of work done up to this quarter : (A) b) Gross value of work done up to the last quarter : (B)
	c) Gross value of work done since previous quarter (A-B): (C)
	d) Extra items paid as per Clause 12 & 12A based on : (D)
	Prevailing market rate during this quarter e) Cost of work (W) for which escalation is applicable
	W = 0.85 M [Where M = (C - D)]
	iii) The components of materials and labour in working out such percentages are given below and shall be binding on the contractor.
	For AC, DG, S/Stn.,F.D., F.F. For internal/external Electrical Works & other specialized works
	A) material
	B) labour 15% percent B) labour 25% percent
	iv) The compensation for escalation for materials shall be worked out as per the formula given below:-
	Vm = W x Xm/100 x MI-Mio/Mio
	Vm- Variation in material cost i.e. Increase or decrease in the amount in rupees to be paid or recovered.
	W- Cost of work done worked out as indicated in sub para (ii) above
	Xm- Component of materials expressed as percent of the total value of work
	MI- All India whole sale index for all commodities for the period under consideration as published by the Economic Advisor to Government of
	India, Ministry of Industry and Commerce. MIo- All India whole sale price index for all commodities valid on the last stipulated date of receipt of tender including extension if any, a
	published by the Economic Advisor to Government of India, Ministry of Industry and Commerce.
	v) The following principles shall be followed while working out indices mentioned in sub-Para (iv) above.
	a) The compensation for escalation shall be worked out at quarterly intervals and shall be with respect to the cost or work done as per bills paid during the three calendar months of the said quarter. The first such payment shall be made at the end of three months after the month (excluding) in whice
	the tender was accepted and thereafter at three months interval. At the time of completion of the work, the last period for payment might become less
	than three months, depending on the actual date of completion.
	b) The index (MI) Relevant to any quarter for which such compensation is paid shall be the arithmetical average of the indexes relevant to the three
	lendar months. If the period up to date of completion after the quarter covered by the last such installment of payment is less than three months, th
	index MI shall be the average of the indices for the month falling within that period .
	vi) The compensation for escalation for labour shall be worked out as per the formula given below:-
	VL = W x Y/100 x Ll-Llo/Llo
	VL- Variation in labour cost i.e. Increase or decrease in the amount in rupees to be paid or recovered. W - Value of work done, worked out as indicated in sub para (ii) above
	Y - Component of labour expressed as percentage of the total value of work
	LIO-Minimum daily wage in rupees of an unskilled adult male mazdoor, fixed under any law, statutory rule or order as on the last stipulated dat
	of receipt of tender including extension, if any. LI - Minimum wage in rupees of an unskilled adult male mazdoor, fixed under any law, statutory rule or order as applicable on the last day of the quarter
	previous to one under consideration.
	vii) The following principles will be followed while working out the compensation as per sub para (vi) above.
	a) The minimum wage of an unskilled male mazdoor mentioned in sub para
	(vi) above shall be the higher of the following two figures, namely those notified by government of India, ministry of labour and those notified by the local administration both relevant to the place of work and the period of reckoning.
	b) The escalation for labour also shall be paid at the same quarterly intervals when escalation due to increase in the cost of materials is paid under this
	clause. If such revision of minimum wages takes place during any such quarterly intervals, the escalation compensation shall be payable at revise
	rates only for work done in subsequent quarters.
	c) Irrespective of variations in minimum wages of any category of labour, for the purpose of this clause, the variation in the rates for an unskilled adult

	a) No such adjustment for the decrease in the price of materials and/ or wages of labour afore-mentioned would be made in case of contra in which the stipulated period of completion of the work is eighteen months or less.
	b) The engineer-in-charge shall otherwise be entitled to lay down the procedures by which the provision of this sub-clause shall be implement from time to time and the decision of the engineer-in-charge in this behalf shall be final and binding on the contractor.
	ix) Provided always that the provision of the preceding clause 10 (C) shall not be applicable for contracts where provisions of this clause applicable but in cases where provision of this clause are not applicable, the provisions of clause 10(C) will become applicable.
	CLAUSE 10D The contractor shall treat all materials obtained during dismantling of an installation, excavation of the site for a work etc. as BSNL's prope
	and such materials shall be disposed of to the best advantage of BSNL according to the instructions in writing issued by the engineer-in-charge.
	CLAUSE 11
Work to be Executed in	11.1 The contractor shall execute the whole and every part of the work in the most substantial and workman like manner and both as regards materi
Accordance with	and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly fully and faithfully to the desig
Soecifications, Drawings,	drawings and instructions in writing in respect of the work signedv by the engineer-in-charge. The contractor shall take full responsibility
Orders, etc.	adequacy, suitability and safety of all the works and methods of installation.
	11.2 In the case of any class of work for which there is no such specification as referred to Clause 11.1, such work shall be carried out accordance with the Bureau of Indian Standards specification, in case there is no such specifications in Bureau of Indian Standards, the work
	shall be carried out as per manufacturer's specifications. In case there are no such specifications as required above the work shall be carri- out in all respect in accordance with the instructions and requirements of the Engineer-in-charge.
	CLAUSE 12
Devation,	12.1 The engineer-in-charge shall have power
Variations	i) To make any alterations in, omissions from, additions to or substitutions for the original specifications, drawings, designs and instructions, the
Extent and Pricing	may appear to him to be necessary or advisable during the progress of the work and ii) To omit a part of the works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to ca
J	out the work in accordance with any instructions given to him in writing signed by the engineer-in-charge, and such alterations, omissions, additions
	substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contract
	may be directed to do in the manner specified above as part of the work, shall be carried out by the contractor on the same conditions in all respe
	on which he agreed to do the main work except as hereafter provided
	12.1.1 The time for the completion of work shall, in the event of any deviations resulting in additional cost over the tendered value of sum being ordered, be extended, if requested by the contractor, as follows:
	i) In the proportion which the additional cost of the altered, additional or substituted work, bears to the original tendered value plus.
	 ii) 25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the Engineer-in-charge. 12. 2 Rates for such altered, additional or substituted work shall be determined by the Engineer- in-charge as follows:-
	i) If the rates for the additional, altered or substituted item of work is specified in the schedule of quantity, the contractor shall carry out t
	altered, additional or substituted item at the same rate.
	ii) If the rate for any additional altered or substituted item of work is not specified in the schedule of quantities, the rate for that item shall
	derived from the rate for the nearest similar item specified therein. iii) If the rate for altered, additional or substituted item of work cannot be determined in the manner specified in sub paras (i) and (ii) abo
	then such item of works shall be carried out at the rate entered in the CPWD schedule of Rates as mentioned in the Schedule 'F' minus/plus percentage by which the tendered amount of the work actually awarded is higher or lower than the corresponding estimated amount of the work
	actually awarded. iv) If the rates for the altered additional or substituted item of work can not determined in the manner specified in the sub-clauses (i) (iii)above, then the rates for such item of work shall be derived from the Schedule of Rates specified in sub para above (iii) minus/plus the percenta mentioned in that sub para. Provided always that if rates(s) for part(s) of the item(s) are not available in the schedule of rates specified above, rate
	part(s) of such item(s) shall be determined on the basis of the market rate(s) prevailing during the fortnight following the date of the order plus percent for profit and overhead.
	v) If the rates for the altered, additional or substituted item of work can not be determined in the manner specified in sub-paras (i) to (iv) abore the contractor shall within 15 days of the date of receipt of order to carry out the said work, inform the engineer-in-charge of the rate which proposes to claim for such item of work, supported by analysis of rate claimed and the Engineer-in-charge shall within three months thereaft after giving due consideration to the rate claimed by the contractor, determine the rate or rates on the basis of prevailing market rates. In the event
	contractor failing to inform the Engineer-in-charge within the stipulated period of time, the rate which he proposes to claim, the rate for such its shall be determined by the Engineer-in-charge on the basis of market rate(s). vi) Provided further that in case where the original item is substituted, the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item in the substituted item shall be deemed to have replaced the original item shall be deemed to have replaced the original item shall be deemed to have replaced the original item shall be deemed to have replaced the original item shall be deemed to h
	contract itself to that extent and above provisions pertaining to the deviations shall apply with respect to such substituted item and not to original item.
	12.3 Increase/ Decrease of tendered quantitya) BSNL will have the right to increase or decrease up to 50% of the quantity of goods and services specified in the schedule of items without any change
	a) BSNL with nave the right to increase or decrease up to 50% of the quantity of goods and services specified in the schedule of items without any change the unit price or other terms and conditions at the time of award of contract. In exceptional and unavoidable cases BSNL can increase the quantity of good and services beyond 50% of the tendered quantity without any change in tendered and accepted unit price and also other terms and conditions as applical at the time of award of contract.
Foreclosure of	CLAUSE 13 13.1 If at any time after acceptance of the tender BSNL shall decide to abandon or reduce the scope of the works for any reason whatsoever and her

or Reduction in	Page of the works to be carried out, the Engineer-in-charge shall give notice in writing to that effect to the contractor and the contractor shall
Scope of Work	accordingly in the matter. The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit
	advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole
	part of the works.
	Part or are notan.
	13.2 The contractor shall be paid at contract rates full amount for works executed at site and in addition, a reasonable amount as certified by
	Engineer-in-charge for the items hereunder mentioned which could not be utilised on the work to the full extent in view of the foreclosures. i) Reasonable compensation for transfer of T&P and staff from site to contractor's permanent stores or to his other works, whichever is less.
	T&P/staff are not transported to either of the said places, no cost of transportation shall be payable.
	i) BSNL shall have the option to take over contractor's materials or any part thereof either brought to site or to which the contractor is legally bound
	accept delivery from suppliers (for incorporation in or incidental to the work) provided, however BSNL shall be bound to take over the materi
	or such portions thereof as the contractor does not desire to retain. For materials taken over or to be taken over by BSNL cost of such materials
	detailed by Engineer-in-charge shall be paid. The cost shall, however, take into account purchase price, cost of transportation and deterioration
	damage which may have been caused to materials whilst in the custody of the contractor. 13.3 The contractor shall, if required by the Engineer-in-charge, furnish to him books of account, wage books and other relevant documents a
	evidences as may be necessary to enable him to certify the reasonable amount payable under this condition.
	13.4 The reasonable amount of item(s) on 13.2 (i) above shall not be in excess of 2% of the cost of the work remaining incomplete on the date
	closure, i.e. total stipulated cost of the work as per accepted tender less the cost of work actually executed under the contract and less the cost
	contractor's materials at site taken over by BSNL as per item 13.2 (ii) above. Provided always that against any payments due to the contractor on t
	account or otherwise, the Engineer-in-charge shall be entitled to recover or be credited with any outstanding balances due from the contractor
	advance paid in respect of any work and materials and any other sums which at the date of termination were recoverable by BSNL from the contract
	under the terms of the contract. CLAUSE 14
Suspension of	14.1 If contractor :
Work	
	i) at any time makes default in proceeding with the works or any part of the work with the due diligence and continues to do so after a notice
	writing of 7 days from the Engineer-in-charge; or
	ii) commits default to complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to reme
	within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-charge; or iii) fails to complete the works or items of work with individual dates of completion, on or before the date(s) of completion, and does not complete th
	within the period specified in a notice given in writing in that behalf by the Engineer-in-charge; or
	iv) Shall offer or give or agree to give to any person in BSNL service or to any other person on his behalf any gift or consideration of any kind as
	inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any ot
	contract for BSNL or
	v) Shall enter into a contract with BSNL in connection with which commission has been paid or agreed to be paid by him or to his knowled
	unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Accept Authority/Engineer-in-charge; or
	(i) Shall obtain a contract with BSNL as a result of wrong tendering or other non-bonafide methods of competitive tendering; or
	vii) being an individual, or if a firm, any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administration
	his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose
	amalgamation or reconstruction) under any insolvency Act for the time being in force or make any conveyance or assignment of his effects
	composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any insolvency Act for the ti
	being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors; or
	viii) being a company, shall pass a resolution or the court shall make an order for the winding up of the company, or a receiver or manager on behalf
	the debenture holders or otherwise shall be appointed or circumstances shall arise which entitle the court or debenture holders to appoint a receiver
	manager; or
	ix) Shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days or
	x) Assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not
	deemed to be subletting) or otherwise parts with or attempts to assign, transfer sublet or otherwise parts with the entire works or any port thereof without the prior written approval of the Accepting Authority.
	thereof without the prior written approval of the Accepting Authority. xi) The Accepting Authority may, without prejudice to any other right or remedy which shall have accrued or shall accrue hereafter to BSNL by
	notice in writing to cancel the contract as a whole or only such items of work in default from the contract. 14.2 The Engineer-in-charge shall
	such cancellation by the Accepting Authority have powers to:
	(a) take possession of the site and any materials, equipment, implements, stores etc. thereon and/or
<u> </u>	(b) carry out the incomplete work by any means at the risk and cost of the contractor.
	14.3 On cancellation of the contract in full or in part, the Engineer-in-charge shall determine what amount, if any, is recoverable from the contract
	for completion of the works or part of the works or in case the works or in case the works or part of the works is not to be completed, the loss damage suffered by BSNL. In determining the amount, credit shall be given to the contractor for the value of the work executed by him up to
	damage surfered by BSNL. In determining the amount, credit shall be given to the contractor for the value of the work executed by him up to time of cancellation, the value of contractor's materials taken over and incorporated in the work and use of plant and machinery belonging to
	contractor.
	14.4 Any excess expenditure incurred or to be incurred by BSNL in completing the works or part of the works or the excess loss or damage
	suffered or may be suffered by BSNL as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to BSI
	in law be recovered from any moneys due to the contractor on any account, and if such money are not sufficient the contractor shall be called up
<u> </u>	in writing and shall be liable to pay the same within 30 days.
	14.5 If the contractor shall fail to pay the required sum within the aforesaid period of 30 days, the Engineer-in-charge shall have the right to s any or all of the contractors' unused materials, plant, implements etc. and apply the proceeds of sale thereof towards the satisfaction of any su
	due from the contractor under the contract and if thereafter there be any balance outstanding from the contractor, it shall be recovered in accordance w
	the provisions of the contract.
	14.6 Any sums in excess of the amount due to BSNL and unsold materials, tools and plant etc. shall be returned to the contractor, provided always t
	if cost or anticipated cost of completion by BSNL of the works or part of the works is less than the amount which the contractor would have be
	if cost or anticipated cost of completion by BSNL of the works or part of the works is less than the amount which the contractor would have be paid had he completed the works or part of the works, such benefit shall not accrue to the contractor.
	if cost or anticipated cost of completion by BSNL of the works or part of the works is less than the amount which the contractor would have be paid had he completed the works or part of the works, such benefit shall not accrue to the contractor. CLAUSE 15

	CLAUSE 19 C
	(1) In respect of of all labour directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall
	at his own expense, arrange for the safety provisions as per Model Safety Code framed from time to time and shall, at his own expense, provide for a
	facilities in connection therewith. The contractor shall ensure that at the construction site of The Building or other construction work, adequate safet
	measures are taken to protect The Building workers against any ccident etc. The adequate safety measures in conformity with the provisions of
	Part III of The Building and Other Construction Workers (Regulation of Employment and condition of service) Central Rules 1998 should be
	provided in addition to the safety measures laid down in Model Safety Code. In case of any discrepancy, the safety measures as perPart III of th
	Building and Other Construction Workers (Regulation of Employment and condition of service) Central Rules 1998 shall supercede other provisions.
	(2) In case the contractor fails to make arrangements and provide necessary facilities as aforesaid he shall be liable to pay a penalty of Rs.200/- for
	each default and in addition the Engineer-in-Charge shall be at liberty to make arrangement and provide facilities as aforesaid and recover th
	costs incurred in that behalf from the contractor.
	CLAUSE 19 D
	The contractor shall submit by the 4th and 19th of every month, to the Engineer-in-Charge a true statement showing in respect of the second half of the
	preceding month and the first half of the current month respectively:-
	(1) the number of labourers employed by him on the work,
	(2) their working hours,
	(3) the wages paid to them,
	(4) the accidents that occurred during the said fortnight showing the circumstances under which they happened and the extent of the damages an
	injury caused by them, and,
	(5) the number of female workers who have been allowed maternity benefit according to Clause 19 F and the amount paid to them. Failing which the
	contractor shall be liable to pay to BSNL a sum not exceeding Rs.200/- for each default or materially incorrect statement. The decision of the Engineer-i
	Charge shall be final in deducting from any bill due to the contractor the amount levied as fine and be binding on the Contractor.
	CLAUSE 19 E
	In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this contract, the contractor sha
1	comply with or cause to be complied with all the provisions of various statutes/enactments and rules there under framed by the Central/Stat
	Governments, and rules framed by BSNL from time to time for the protection of health and sanitary arrangements for the workers employed by the
	BSNL/Deptt.of Telecommunications and its contractors. Notwithstanding the above provisions, the contractor shall be liable for levy of any penalty in cas
	he fails to meet the requirements of The Building and Other Construction Workers (Regulation of Employment and Condition of Service) Ac
	1996 and The Building and Other Construction Workers (Regulation of Employment and Condition of Service) Central Rules 1998 and Contract
	Labour (Regulation and Abolition) Act, 1970 and Contract Labour (Regulation and Abolition) Central Rules, 1971, Industrial Disputes Act, 1947 of
	any other Labour laws relating there of and rules made there under from time to time
	CLAUSE 19 F

Changes in	Where the contractor is a partnership firm, the previous approval in writing of the Engineer-in-Charge shall be obtained before any change is made
Firm's	in the constitution of the firm. Where the contractor is an individual or a Hindu undivided family business concern such approval as aforesaid shal
Constitution to	
be intimated	likewise be obtained before the contractor enters into any partnership agreement where-under the partnership firm would have the right to carry ou
	the works hereby undertaken by the contractor. If previous approval as aforesaid is not obtained, the contract shall be deemed to have been assigned in
	contravention of Clause 21 hereof and the same action may be taken, and the same consequences shall ensue as provided in the said Clause 21.
	CLAUSE 24 All works to be executed under the contract shall be executed under the direction and subject to the approval in all respects of the Engineer-in-Charge
	An works to be executed under the contract shart be executed under the uncerton and subject to the approval in an respects of the Engineer-in-charge
	who shall be entitled to direct at what point or points and in what manner they are to be commenced, and from time to time carried on.
	CLAUSE 25
Settlement of	Except where otherwise provided in the contract all questions and disputes relating to the meaning of the specifications, design, drawings and
Disputes &	instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right
Arbitration	matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions orders or these
	conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work o
	after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:-
	(i) If the contractor considers that he is entitled to any extra payment or compensation in respect of the works over and above the amount
	admitted as payable by the BSNL or in case the contractor wants to dispute the validity of any deductions or recoveries made or proposed to be made
l	from the contract, the contractor shall forthwith give notice in writing of his claim, in this behalf to the Engineer-in-Charge within 30 days from the date of
	disallowance thereof for which the contractor claims such additional payment or compensation or disputes the validity of any deduction or recovery
	The said notice shall give full particulars of the claim, grounds on which it is based and detailed calculations of the amount claimed and the contracto
	shall not be entitled to raise any claim nor shall the BSNL be in any way liable in respect of any claim by the contractor unless notice of such claim shall
	have been given by the contractor to the Engineer-in-Charge in the manner and within the time as aforesaid. The contractor shall be deemed to have
	waived and extinguished all his rights in respect of any claims not notified to the Engineer-in-Charge in writing in the manner and within the time aforesaid.
	(ii) The Engineer-in-Charge shall give his decision in writing on the claims notified by the contractor within 30 days of the receipt of the notice thereas If the contractor is not estimated with the decision of the Engineer in Charge, the contractor way within 15 days of the receipt of the decision of the formation of the form
	thereof. If the contractor is not satisfied with the decision of the Engineer-in-Charge, the contractor may within 15 days of the receipt of the decision of the Engineer-in-Charge submit his claims to the conciliating authority named in Schedule 'F' for conciliation along with all details and copies o
	correspondence exchanged between him and the Engineer-in-Charge.
	(iii) The party initiating conciliation shall send to the other party a written invitation to conciliate. Conciliation proceedings shall commence when the
	other party accepts in writing the invitation to conciliate. If the other party rejects the invitation, or does not reply within thirty days from the date
	of invitation, there will be no Conciliation Proceedings.
	(iv) When it appears to the Conciliator that there exists element of a settlement which may be acceptable to the parties, he shall formulate the
	terms of a possible settlement and submit them to parties for their observation after receiving the observations of the parties. He may reformulate
	the terms of a possible settlement in the light of such observations. If the parties reach agreement on settlement of the dispute, they may draw up and
	sign a written settlement agreement. Parties may request the Conciliator to draw up or assist them in drawing up the settlement agreement. Such
	settlement agreement shall have the same status and effect as if it is an arbitral award on agreed terms on the substance of the dispute rendered by an arbitra
	tribunal under section 30 of Arbitration and Conciliation Act 1996. If a settlement does not appear possible, the Conciliator, after consultation with the
	parties will give a written declaration that further efforts at Conciliation are no longer justified and the Conciliation Proceedings are terminated.
	(v) When conciliation proceedings have become in-fructuous or have been terminated the party, which initiated the Conciliation shall, within a period
	of 30 days of termination thereof shall give a notice, in the form prescribed by the BSNL, to the Chief Engineer, Bharat Sanchar Nigam Limited in
	charge of the work or if there be no Chief Engineer, to the Administrative Head of the Bharat Sanchar Nigam Limited for appointment of an arbitrato
	to adjudicate the notified claims failing which the claims of the contractor shall be deemed to have been considered absolutely barred and waived. (vi) Except where the decisions have become final, binding and conclusive in terms of the contract, all disputes arising out of the notified
	claims of the contractor as aforesaid and all claims of the BSNL shall be referred for adjudication through the arbitration by the Sole Arbitrato
	appointed by the Chief Engineer, Bharat Sanchar Nigam Limited in-charge of the work or if there be no Chief Engineer, the Administrative Head
	of the Bharat Sanchar Nigam Limited. It will also be no objection to any such appointment that the Arbitrator so appointed is a BSNL Employee
	and that he had to deal with the matters to which the Contract relates in the course of his duties as BSNL Employee. If the arbitrator so appointed i
	unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another sole arbitrator shall be appointed in
	the manner aforesaid by the said Chief Engineer. Such person shall be entitled to proceed with the reference from the stage at which it was left by his
	It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claimed in respect of each dispute along with the notice for appointment of arbitrator.
	It is also a term of this contract that no person other than a person appointed by such Chief Engineer, Bharat Sanchar Nigam Limited or the
	administrative head of the Bharat Sanchar Nigam Limited as aforesaid should act as arbitrator and if for any reasons that is not possible, the matter shall
	not be referred to arbitration at all. The conciliation and arbitration shall be conducted in accordance with the provisions of the Arbitration &
	Conciliation Act 1996 or any statutory modification or re-enactment thereof and the rules made thereunder and for the time being in force shall apply
	to the arbitration proceeding under this clause
	It is also a term of this contract that the arbitrator shall adjudicate on only such disputes as are referred to him by the appointing authority and
	give separate award against each disputes and claim referred to him. The arbitrator shall give reasons for the award for each dispute referred to him.
	It is also a term of the contract that if any fees are payable to the arbitrator these shall be paid equally by both the parties.
	It is also a term of the contract that the arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties calling them to submit their statement of claims and counter statement of claims. The venue of the arbitration shall be such place as may be fixed by
l	the arbitrator in his sole discretion. The fees, if any, of the arbitrator shall, if required to be paid before the award is made and published, be paid half
	and half by each of the parties. The cost of the reference and of the award (including the fees, if any, of the arbitrator) shall be in the discretion of the
i	
	arbitrator who may direct to any, by whom and in what manner, such costs or any part thereof, shall be paid and fix or settle the amount of costs
