Tenders, which should always be placed in sealed envelope, in the manner detailed at Para no. 5.0 above, will be received and opened on the due dates in BSNL, Electrical Sub Division - I, Jaipur up to 15:00 Hrs & 15:30 Hrs. respectively by Sub Divisional Engineer (E) or his authorized representative in his office.

- 6.1 Envelope-I containing earnest money, tender cost and documents pertaining to eligibility etc. (As per clause 5.3 above) shall be opened first on the due date.
- 6.2 In case Envelope-I is not annexed or tender cost, EMD, Eligibility documents etc. not found in proper form, the Envelope-II containing tender documents will not be opened at all and such unopened tender shall be returned on spot to the bidder or his representative during the process of opening of tenders. The cost of tender documents deposited for tender issue/Demand Draft along with downloaded tender shall not be refunded, even if bidder is found ineligible.
- 6.3 After the opening of Envelope-II of eligible bidders, the Tender documents containing terms & conditions, specifications and Schedule of quantities etc. shall be evaluated by BSNL.
- 6.4 If a holiday is declared on the tender opening day, the tenders will be opened on the next working day.
- 7.0 The tender should be properly bound and sealed. In case of loose/spiral bound submission of tender, the tender shall be liable for rejection. (In case of the downloaded tender documents from the internet).
- 8.0 Every page of downloaded tender shall be signed by the tenderer with stamp (seal) of his firm/organization and the tenderer shall furnish a declaration" that No addition/ deletion/ correction have been made in the tender document submitted and it is identical to the tender document appearing on website. (In case of the downloaded tender documents from the internet)".

- 9.0 If it is found at any stage of tender scrutiny after submission of tender that the bidder has made any correction/addition/alternation/omission in tender documents vis-a-vis tender documents available on the website/original draft NIT in office, the bid shall be treated as non responsive and shall be summarily rejected and the EMD deposited by tenderer shall be forfeited in addition to any other action as per prevalent rules.
- 10.0 The conditional tender or tenders with conditional rebate shall be summarily rejected. However tenders with unconditional rebate will be considered.
- 11.0 The tenderer shall submit the original computer printout of the tender documents downloaded from the internet. The photo copy shall not be accepted.
- 12.0 The tender documents shall not be issued / sent through Post / Courier.

14.0 WORK/QUANTITY DISTRIBUTION:

- 14.1 The work/quantities of work will not be split and 100% work shall be awarded to one bidder .
- 15.0 The Notice Inviting Tender shall form part of the contract document, In accordance with clause-1 of the contract, the tender acceptance letter shall be issued first in favour of the successful tenderer/contractor. The contract shall be deemed to have come into effect on issue of communication of acceptance of the tender. On such communication of acceptance, the successful tenderer/contractor shall within 15 days from such date, formally sign the contract which includes all relevent documents.
- 15.1 The Notice Inviting Tender, all the documents including additional conditions, specifications and drawings, if any, forming part of the tender and as issued at the time of invitation of tenders and acceptance thereof together with any correspondence leading thereto.
- 15.2 Standard C.P.W.D/BSNL -8 Form.
- 15.3 The successful tenderer shall be required to execute an agreement, on non-judicial stamp paper of approprite value as notified by Rajasthan state Govt. which shall be purchased by tenderer, with the Engineer-in-charge in the Performa annexed (annexure -VI of section -II) to the tender document, within 7 days of the issue of letter of award by the BSNL. The First running account bill shall be paid only after signing of the Agreement/Contract by both the parties.
- 16 Tenderers are advised to inspect and examine the site and its surrounding and satisfy themselves before submitting their tenders as to the nature of the ground and the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity, access facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and local conditions and other factors having a bearing on the execution of the work.
- 17.0 The competent authority on behalf of the BSNL does not bind himself to accept the lowest or any other tender, and reserves to himself the authority to reject any or all of the tenders received without the assignment of a reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.
- **18.0** The competent authority on behalf of BSNL reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
- 19.0 The tender of the works shall remain open for acceptance for a period of 90 days from the date of opening of tenders. If any tenderer withdraws his tender before the said period or date of issue of letter of acceptance/intent, whichever is earlier or makes any modifications in terms and conditions of the tender which are not acceptable to BSNL, then BSNL shall without prejudice to any right or remedy be at liberty to forfeit 50% of the said earnest money as aforesaid.
- 20 No exemption certificate for payment of EMD is acceptable.
- 21 The company or firm or any other person is not permitted to tender for works in BSNL Unit in which his near relative(s) is (are) posted. (details as per ANNEXURE -I attached)
- 22.0 No Engineer of gazetted rank or other gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as contractor for a period of two years after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.

For & on behalf of BSNL.

SECTION -V (SPECIAL AND ADDITIONAL CONDITIONS)

The contractor shall read carefully the following conditions and shall quote accordingly.

1.0 EARNEST MONEY DEPOSIT:

- 1.1 **Validity period:** The validity period of Earnest Money deposit should be kept 30 days beyond the Tender validity i.e. 90+30=120 days, as the tender validity period is 90 days.
- 1.2 Extension of Validity period: In case, where the letter of award of work can not be placed with in the validity period of tender, the BSNL can request all tenderers to extend the validity of their respective tenders and the earnest money deposit by a reasonable period. In such cases, extension of validity of earnest money deposit by 30 days beyond the extended validity date of tender should also be asked for. While BSNL can make the request for extension, the tenderer is free to either extend the validity or refuse the request to extend the validity.
- 1.3 Release of Earnest Money Deposit: Earnest money deposit of all unsuccessful tenderers shall be released within one week of issue of tender acceptance letter to the successful tenderer. Where the BSNL requests the tenderer to extend the validity of the tender beyond the stipulated period given in the tender documents, and the tenderer refuses to extend the validity of his tender, the earnest money deposit of such tenderers shall be returned forthwith.
- 1.4 In case the work is not started by the contractor with in specified time frame, the EMD and full Performance guarantee will be forfeited absolutely.

2 PERFORMANCE GAUNTEE

- 2.1 The contractor is required to furnish performance guarantee for an amount equal to 5% of the contract value in the form of Bank Guarantee (of a Nationalized/ Scheduled Bank in a standard format) /CDR/FDR/DD within 15 days from the date of issue of award letter.
- 2.2 The validity period of the performance security in the form of performance bank guarantee shall be One Year from the date of actual completion of work
- 2.3 Firm has option to deposit performance guarantee in the form of bank guarantee in the prescribed format as per Annexure-III.

3.0 SECURITY DEPOSIT:

2.1 A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as earnest money will amount to security deposit of 10% of the tendered value of the work.

4.0 TAXES AND DUTIES:

- 4.1 The bidder shall give the total composite price inclusive of all Levies, Taxes & duties as applicable including EPF, ESI, Packing, Forwarding, Fright and insurance etc. but excluding of GST, as applicable.
- 4.2 No concessional Form except a Certificate stating that the tendered items are meant for the use of BSNL shall only be provided by BSNL on the request of the bidder as and when the firm asked for at the time of execution of work.
- 4.3 The GST invoice favoring to BSNL shall be issued by the firm for Input Tax Credit to BSNL.

4.4 VARIATION IN DUTY/TAXES:

- 4.4.1 Tendered rates will be inclusive of all the taxes and levies payable but exclusive of GST, as applicable, under the respective statutes. However, pursuant to the Constitution (Forty six Amendment) Act, 1982, if any further tax or levy is imposed by state after the date of receipt of tenders and the contractor (s) thereupon necessarily and properly pays taxes or levies the contractor(s) will be reimbursed such amounts paid, provided such payment, if any, is not in opinion of SE (E) (whose decision shall be final and binding) attributable to delay in execution of work.
- 4.4.2 The contractor (s) shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of BSNL and shall furnish such other information/documents as the Engineer-in-Charge may require.
- 4.4.3 The contractor (s) shall within a period of 30 days of imposition of any further tax or levy pursuant to the Constitution (Forty Six Amendment) Act 1982 give a written notice thereof, to the Engineer-in-Charge that the same is given pursuant to this condition together with all necessary information relating thereto.
- 4.4.4 In case of statuary variation in GST Rates, in accordance with directives of Govt. of India, under the GST act, , within the stipulated date of completion of individual agreement, the same shall be paid or recovered as per the actual against documentary proof. However, beyond this period BSNL will take advantage of any duty reduction but will not pay extra on account of duty increase.

5.0 EPF PROVISION

5.1 The contractor shall comply / fulfill the provisions of the EPF & Misc. Provisions Act.-1952 and Employees Provident Fund Scheme-1952 as amended up to date in respect of labourers/ Employees engaged by them for performing this work. Any consequences arising due to non-complying of the provisions as specified above shall be the sole responsibility of the firm only.

6.0 BID OPENING AND EVALUATION:

6.1 The bids shall be opened in the presence of bidders or their authorized representatives, who choose to attend, at 15:30Hrs. on the due date for tender opening. The bidder's representatives, who are present, shall sign in tender opening register.

7.0 **CLARIFICATION OF BIDS:**

7.1 To assist in the examination, evaluation and comparison of bids, the purchaser may, at its discretion ask the bidder for the clarification of its bid. The request for the clarification and the response shall be in writing. However, No post bid clarification at the initiative of the bidder shall be entertained.

8.0 EVALUATION OF BIDS:

8.0 BSNL shall evaluate the bids to determine whether they are complete, whether required sureties, Certificates & testimonials have been furnished, whether the documents have been properly signed and whether the bids are generally in order.

9.0 EVALUATION AND COMPARISON OF BIDS:

- 9.1 BSNL shall evaluate in detail the bids to see whether any computational errors have been made and compare the bids previously determined to be substantially responsive pursuant to **clause -8 above**.
- 9.2 Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected by the purchaser. If there is a discrepancy between words and figures, the amount in words shall prevail. If the supplier does not accept the correction of the errors, his bid shall be rejected.
- 9.3 The evaluation and comparison of responsive bid shall be done on the basis of Net Cost to BSNL inclusive of all levies, duties and taxes, EPF, ESI, Packing, Forwarding, Fright and insurance charges etc. but excluding GST on the price of items / Services offered. The lowest tenderer will be decided based on lowest total net cost to BSNL excluding of GST.
- 9.4 Vendors should furnish the correct GST invoice at applicable rates favouring to BSNL. If the Input tax credit against this Invoice for the Duties and Taxes paid as GST is found to be non admissible at any stage to BSNL owing to wrong furnishing of GST Bill / Rate, than the vendor shall be liable to refund / recovery of such non admissible amount along with penalty, if any charged by the concerned authority. Then, BSNL reserves its right to deduct such non admissible amount from any pending bills or deposit of the vendor.
- 9.5 GST Invoice, as applicable, favouring the BSNL shall be issued by the contractor of each bill indicating correct GST at applicable rates as documentry proof to avail Input Credit of GST by BSNL. Correctness of GST invoice along with applicable rates and geniuness of documents shall rest with Vendor only.
- 9.6 The price quoted by the bidder shall remain fixed during the entire period of contract and shall not be subject to variation on any account. A bid submitted with an adjustable price quotation will be treated as non responsive and rejected. No claim under "Clause- 10cc" shall be entertained
- 9.7 GST as per invoice issued by vendor favouring to BSNL for this perticular work shall be paid as extra as per applicable/ notified rates by Govt of India.
- 9.8 Discount, if any, offered by the bidder shall not be considered unless specifically indicated in the price schedule. Bidders desiring to offer discount shall therefore modify their offer suitably while quoting and shall quote clearly net price taking all such factors like discount, free supply, etc. into account.
- 9.9 No advance payments can be made. The payment is governed by the normal department practice and stipulations like levy of interest if payment is not made in a specified time is also not acceptable.

10.0 INCREASE/DECREASE OF TENDER QUANTITY:

10.1 As per clause - 12.3 of BSNL EW-8 contract condition.

11.0 TERMS OF PAYMENT:

- 11.1 Payment to the contactors during progress of work will be regulated as below:
- (a) Monthly payment shall be made for satisfactory performed of monthly maintenance & operation on a certificate from the contractor with each bill that maintenance & operation has been carried out properly and all the testing/drills/ servicing/replacement etc. required during the period have been performed. This certificate has to be countersigned by the SDE (E) in charge. (N/A)
- (b) Vendors to raise monthly invoice with all supporting documents .
- 11.2 No payment will be made for goods/equipment rejected and services not maintained satisfactory at the site on testing/verification. Payment, if made, for such items shall be recovered from subsequent bills or other bills of the contractor.
- 11.3 BSNL shall deduct statutory taxes and duties from payments due to the firm as per rules of the central/ State Government. The certificate for such deductions shall be issued to the firm by the Accounts Officer of the concerned Division.

11.4 Each claim bill of contractors must accompany the following:

- (a) List showing the details of labourers/employees engaged.
- (b) Duration of their engagement.
- © The amount of wages paid to such labourers/ employees for the duration in question.
- (d) Amount of EPF contributions (Both employer's & employees contribution) for the duration of engagement in question paid to the EPF authorities.
- (e) A declaration from the contractors regarding compliance of the conditions of EPF-Act, 1952.
- (f) GST Invoice (as applicable) favouring the BSNL, indicating correct GST, as applicable rates, as documentry proof to avail Input Credit of GST by BSNL in accordance with clause 9.5 of section V above.
- 11.5 The bill passing authority will check the payment particulars regarding EPF contribution furnished by the contractors along with the bill as mentioned in Para 16.4 above and keep full records of the payments etc. each contract wise. The bill will be passed by the bill passing authority only if the contractor complies with the Terms and conditions of EPF Act, 1952.

12.0 OPERATION OF CONTRACT:

- 12.1 This is tender for work as mentioned in the name of work.
- 12.2 After tender is accepted, Agreement will be made in between the SDE (E) concerned and the contractor on the basis of tender approved.
- 12.3 Operation of this contract is for bonafide use of BSNL only and is further restricted to only for such works as are authorized by BSNL.

13.0 STORES AND SAFETY:

- 13.1 All the stores and materials required for the satisfactory completion of the work shall be arranged at site by the contractor from his own sources. Lockable space for storing the material may be provided on request. However, safe custody of the material stored at site will be responsibility of the contractor till the completion/handing over of the work.
- 13.2 Before dispatch to site, the equipment/ component/ materials shall be properly packed so as to afford protection against transit damages and damages against storage in open areas either at transporter's premises or at work site. However, damaged items shall be replaced as per the direction of Engineer In Charge.

14.0 COORDINATION AT SITE:

14.1 At the site of work more than one agency may be working. Full co-operation shall be extended to other agencies during progress of work. The work will be carried out in such a way so that it may not cause abnormal noise and hindrance to the officers of the BSNL engaged in erection as well as to normal routine work.

15.0 GUARANTEE, MAINTENANCE & DEFECTS LIABILITY:

- 15.1 On completion of the contract ,the contractor shall certify and get verify from the Engineer in charge that all equipments/Installations are free from any defect due to defective material and bad workmanship/services and also the equipments/ Installations shall work satisfactorily with performance and efficiencies not less than the rated values corresponding to the life of equipments/ Installations.
- 15.2 Any equipment/ Installation found defective on verification shall be replaced/ rectified free of cost by the contractor. The services of the contractor's personnel, if required during this period shall be made available free of cost to the BSNL.
- 15.3 In case, the contractor fails to depute his representative within 48 hours of notification of defects or fails to cause remedial measure within reasonable time after intimation given by the Engineer in charge in writing or telephonically, the BSNL may proceed to do so at the contractor's risk and expenses and without prejudice to any other right of the BSNL to recover such expenses.

16.0 DATE OF COMPLETION:

- 16.1 The work shall be deemed to have been completed after the fulfillment of the following:
- 16.2 The date of satisfactory completion of the contract including extended period under deviation free from any defect and handed over to Department / New agency for next contract without any interruption of services.

17.0 BYE-LAWS, INDEMNITY AGAINST LIABILITIES:

17.1 The contractor shall comply with all bye-laws and regulations of local and statutory authorities having jurisdiction over the works and shall be responsible for payment of all fees and other charges and giving/ receiving all necessary notices and keep the Engineer-in-charge informed about the notices issued and received.

- 17.2 The contractor shall indemnify the BSNL against all claim in respect of patent rights, design, trade mark or name of other protected rights in respect of any plant, machine, work or materials used for or in connection with the work or temporary works and from and against all claims, demands, proceedings, costs, charges and expenses whatsoever in respect of or in relation thereon. The contractor shall defend all actions arising from such claims and shall him-self pay all royalties.
- 17.3 License fees, damages, cost and charges of all and every sort that may be legally incurred in respect thereof shall be borne by the contractor.
- 17.4 All liabilities/ penal recoveries on matters arising out of tax / excise/ levies such as incorrect deductions, discrepancies in the filing of returns, revised assessment by the concerned authorities etc. shall be borne by the contractor.
- 17.5 It is contractor's liability to follow all safety procedures in accordance with relevant I.S. amended up to date during execution of work at site.

18.0 **IMPORTANT NOTE:**

- 18.1 The clauses/conditions as modified in the tender shall supersede the relevant conditions of BSNL/CPWD 6/8. The other conditions shall be as per BSNL/CPWD 6/8.
- 18.2 Dept. reserve the right for forclosure of the agreement any time during the currancy of contract period without giving any notice.
- 18.3 The execution of work will be done in presence of SDE(E)/JTO (E) or his authorised representative and certificate from concerned SDE(E), of satisfactory work.
- 18.4 completion of work will 15 Days, which will be reckoned from 7 th days from the date of award.
- 18.5 Generally materials needed for ectifiaction of defects have to be arranged by the firm at his own cost. Materials arranged by contractor shall be of makes as per the list of approved makes attached, the materials not available in the approved makes list shall be of good quality of makes (ISI) duly approved by Engineer-in-charge. For specific details in this regard refer section relevant to service.
- 18.6 Replacement of defective/damanged material shall be on like by like/ approved make basis.
- 18.7 Dismantled materials shall be returned to the Department except those items for which the replacement is supplied by the agency.
- 18.9 Any damage to the installation(s)/building during the maintenance period due to the carelessness on part of the maintenance staff shall be the responsibility of firm & be replaced/rectified without any extra cost
- 18.10 Any accident or damage during maintenance will be the responsibility of the agency & the Department will not entertain any claim, compensation, penalty etc. on this account or on account of non-observance of any other requirement of law relevant to his work.
- 18.11 Agency has to observe all the labour rules & regulation in-force
- 18.12 The Department reserves the right to carry out any work at the risk and cost of the agency, if the agency fails to perform any duty as per the contract
- 18.13 The contractor shall be rectify the defects as intimated by Engineering in charge with in 3 hour in urban area (in Jaipur) and 8 Hrs in rural area.
- 18.14 In case the contractor fails to rectify and attend to the fault as per performance level. BSNL shall be at liberty to get the same carried out from any other agency at the risk & cost of original contractor and recover the amount from the bills of the contractor. Intimation sent through SMS/E-mail shall be considered sufficient notice. The decision/intimation by EE (E) shall be final.

19.0 TERMINATION OF CONTRACT ON DEATH OF CONTRACTOR

19.1 Without prejudice of any of the rights or remedies under this contract, if the contractor dies, the Engineer in Charge on behalf of the BSNL shall have the option of terminating the contract without compensation of the Contractor.

20.0 INDULGING OF CONTRACTOR IN CRIMINAL / ANTISOCIAL ACTIVITIES AND CASES UNDER INVESTIGATION/ CHARGE SHEETED BY CBI OR ANY OTHER GOVERNMENT AGENCIES ETC.

20.1 If the CBI/Independent External Monitor (IEM) / Income Tax / Sales Tax / Central Excise / Custom Departments recommends such a course - Action shall be taken as per the directions of CBI or concrened department.

21.0 IMPORTANT NOTE:

The clauses/conditions as modified in the tender shall supersede the relevant conditions of BSNL/CPWD 6/8. The other conditions shall be as per BSNL/CPWD 6/8.

2	This form will state the work to be carried out, as well as the date of submitting and opening tenders and the time allowed for car amount of earnest money to be deposited with the tender, and the amount of performance guarantee to be deposited by the success specifications, designs and drawings and any other documents required in connection with the work signed for the purpose of identifitender shall also be open for inspection by the contractor at the office of Officer inviting tender during off ice hours.	sful tenderer(s). Copies of the
3	In the event of the tender being submitted by a firm it must be signed by the authorised signatory.	
5	Receipts for payments made on account of work when executed by a firm, must also be signed by authorised signatory. Any person who submits a tender shall fill up the usual printed form stating at what rate he is willing to undertake each item of	of the work. Tenders, which
	propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, condition of any sort, including conditional rebates will be summarily rejected. However, tenders with unconditional rebate will be shall include more than one work, but contractors who wish to tender for two or more works shall submit separate tender for each. and number of the works to which they refer written on the envelopes. The rates(s) must be quoted in decimal coinage. Amounts must be quoted in full rupees by ignoring fifty paise and considering more than	or which contain any other acceptable. No single tender. Tenders shall have the name
6	The Officer inviting tender or his duly authorised assistant will open tenders in the presence of any intending contractors who may be	
	enter the amounts of the several tenders in a Comparative Statement in a suitable form. In the event of a tender being accepted a re forwarded therewith shall thereupon be given to the contractor who shall thereupon for the purpose of identification sign copies of documents mentioned in Rule 1. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall	f the specifications and other
7	contractor remitting the same without any interest. The officer inviting tenders shall have the right of rejecting all or any of the tenders, and, will not be bound to accept the lowest or any	other tender.
8	The receipt of an accountant or clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the contractors shall be responsible for seeing that he procures a receipt signed by the concerned Accounts Officer.	
9	The memorandum of work tendered for and the schedule of materials to be supplied by BSNL shall be filled and completed in the tender before the tender form is issued. If a form is issued to an intending tenderer without having been so filled in and inco officer to have this done before he completes and delivers his tender.	
10	The tenderer shall sign a declaration under the officials S ecret Act, 1923 for maintaining secrecy of the tender documents drawings of the work given to them. The unsuccessful tenderers shall return all the with the work given to them. The unsuccessful tenderers given to them.	
11	Rates quoted by the Contractor in the tender both in figures and words shall be accurately filled-in so that there is no discrepancy & words. However, if a discrepancy is found the rates which correspond with the amount worked out by the contractor shall unless correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written in either in figure quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally bu correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount.	otherwise proved be taken as ures or words then the rates
12	Performance Guarantee:	
	The contractor is required to furnish performance guarantee for an amount equal to 5% of the contract value in the form of bank g a nationalized / Scheduled Bank in a standard format) within two weeks from the date of issue of award letter. The validity period of the form of performance bank guarantee shall be one year from the date of actual completion of work.	
	Security deposit: In addition to performance guarantee stated above, a sum @ 10% of the gross amount of the bill shall be deducted from each running bill of	of the contractor till the sum
12	deducted will amount to security deposit of 5% of the Tendered value of the work.	
13	All rates shall be quoted on the tender form. The amount for each item should be worked out and requisite totals given. Special care is rates in figures as well as in words and the amount in figures only, in such a way that interpolation is not possible. The total amount figures and words. In case of figures, the word 'Rs.' Should be written before the figure of rupees and word 'P' after the decimal figures, words, the word, 'Rupees' should precede and the word 'Paise' should be written at the end. Unless the rate is in whole rupees and if should invariably be upto two decimal places. While quoting the rate in schedule of quantities, the word' 'only' should be written and it should not be written in the next line.	nt should be written both in e.g. 'Rs.2.15 P' and in case of followed by the word 'only' it
14A	The bidder shall give the total composite price inclusive of all Central & state's levies and taxes i.e. Sales-tax, purchase tax, turnover tax tax etc.or any other taxes or duties like octroi, local area development tax on materials/labour etc	x, service tax, works contract
14B	The total composite price shall comprise of unit price and all other components of price need to be individually indicated/quoted agains proposes to supply under the contract in the following manner:-	st the goods/material/service,it
	in The Basic Unit Price (Ex-Factory Price) of the goods /services/ materials Excise Duty, Sales Tax, Freight, Forwarding ,Packing , so ther levies /charges already paid or payable by the contractor/supplier shall be quoted separately .	service tax, insurance and any
	ii) The liability to pay all taxes, levies, etc shall be of contractor and BSNL will not entertain any claim whatsoever in this respect.	
14C	iii) The invoice for excise duty/equivalent duty/service tax paid favoring BSNL shall be issued by the firm. No concessional form except S ales Tax form 'C' for the items as specified in the schedule of works and meant for use in BSNL, shall be shall be provided by the BSNL only on the specific request of the contractor." (i) BSNL shall evaluate in detail the financial bids to see whether any computational errors have been made and compare the bid	
	substantially responsive pursuant to clause -8 above (ii) Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and total price th	hat is obtained by multiplying
	the unit price and quantity, the unit price shall prevail and the total price shall be corrected by the purchaser. If there is a discrepancy be amount in words shall prevail. If the supplier does not accept the correction of the errors, his bid shall be rejected. (iii) The evaluation and comparison of responsive bids shall be done on the basis of Net cost to BSNL on the prices of the goods offered	
	(B ut excluding CENVAT-able duties & Taxes) as indicated in the Price Schedule in Section -VIII of the Bid Document	
	(iv) Vendors should furnish the correct Excise Duty & Service tax in the price schedule. If the credit for the Duties and Taxes under	CENVAT credit Rules-2004 is
	found to be not admissible at any stage subsequently owing to wrong furnishing of Tariff, then the vendors will be liable to refund su	ich non admissible amount, if
	already paid along with penalty if charged by the concerned authority. BSNL reserves its right to deduct such amount from any pending bill (v) The price quoted by the bidder shall remain fixed during the entire period of contract and shall not be subject to variation on any acc adjustable price quotation will be treated as non - responsive and rejected. No claim under "Clause- Idoc" shall be entertained. (vi) DISCOUNT, if any, offered by the bidders shall not be considered unless specifically indicated in the price schedule. Bidders of	count. A bid submitted with an
15A	therefore modify their offers suitably while quoting and shall quote clearly net price taking all such factors like Discount, free supply However, pursuant to the constitution (forty-sixth amendment) act, 1982, if any further tax or levy is imposed by statute, after the la	
	and the contractors thereupon necessarily and properly pays such taxes/ levies, the contractor shall be reimbursed the amount so paid, pro	vided such payment, if any, is

If any portion of the performance guarantee and security deposit has not been paid or received it would be called for and forfeited. b) To employ labour paid by BSNL and to supply materials to carry out the work or any part of the work debiting the contractor with the cost or the labour and the price of the materials(of the amount of which cost and price certified by the engineer in charge shall be final and conclusive against the contractor) and crediting him with the value of the work done in all respects in the same manner and at the same rates as if it had been carried out by the contractor under the terms of this contract. The certificate of divisional officer as to the value of the work done shall be final and conclusive against the contractor provided always that action under the sub clause shall only be taken after giving notice in writing to the contractor. Provided also that if the expenses incurred by BSNL are less than the amount payable to the contractor at his agreement rates, the difference should not be paid to the contractor. c) After giving notice to the contractor to measure up the work of the contractor and to take such whole or the balance or part thereof as shall be unexecuted out of his hands and to give it to another contractor to complete in which case any expenses which may be incurred in excess of the sum which would have been paid to the original contractor if the whole work had been executed by him(of the amount of which excess the certificate in writing of the engineer-in-charge shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from any money due to hin by BSNL under this contract or on any other account whatsoever or from his performance guarantee or the proceeds of sales thereof or a sufficient par thereof as the case may be. If the expenses incurred by BSNL are less than the amount payable to the contractor at his agreement rates, the differences shall not be paid to the contractor. The contractor whose contract is determined or rescinded as above shall not be allowed to participate in the tendering process for the balance work. In the event of any one or more of the above courses being adopted by the engineer-in-charge the contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of contract and in case action is taken under any of the provisions aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this contract unless and until the engineering-in-charge has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified. Provided further that if any of the recoveries to be made, while taking action as per (b) and/or (c) above, are in excess of the performance guarantee and security deposit forfeited, these shall be limited to the amount by which the excess cost incurred by BSNL exceeds the performance guarantee and security deposit so forfeited. Contractor In any case in which any of the powers conferred upon the engineer-in-charge by clause-3thereof, shall have become exercisable and the same are not Liable to pay exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereof and such powers shall not withstanding be exercisable in the Compensation event of any future case of default by the contractor and the liability of the contractor for compensation shall remain unaffected. In the event of the even if action engineer-in-charge putting in force all or any of the powers vested in him under the preceding clause he may, if he so desires, after giving a notice in not taken writing to the contractorpreceding clause he may, if he so desires, after giving a notice in writing to the contractor take possession of (or at the sole under clause 3 discretion of the engineer-in-charge which shall be final and binding on the contractor, Engineer in charge by notice in writing may order the contractor or his clerk of the works, foreman or other authorised agent to remove such tools, plant, materials or stores from the premises(within a time to be specified in such notice) and in the event of the contractor failing to comply with any such requisition, the engineer-in-charge may remove them at the contractor's expenses or sell them by auction or private sale on account of the contractor and at his risk in all respects and the certificate of the

engineer-in-charge as to the expenses f any such removal and the amount of the proceeds and expense of any such sale shall be final and conclusive

&G Page 28 of 64 Internet downloaded doc CLAUSE 5 The time allowed for carrying out the work as entered in the tender as per Schedule'F' or the extended time shall be strictly observed by the contractor and shall be the essence of Time and the contract on the part of the contractor and shall be reckoned from the tenth day after Extension the date on which Extension for Delay the order to commence the work is issued to the contractor .If the contractor commits default in commencing the execution of the work as aforesaid, BSNL for Delay shall, without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money and the performance guarantee absolutely. 5.1 To ensure good progress during the execution of the work, the contractor shall be bound in all cases in which the time allowed for any work exceeds, one month(save for special t h jobs) to complete 1/8 of the whole of work before 1/4 th of the whole time allowed under th th the contract has elapsed; 3/8 of the work before 1/2 of such time has elapsed, and 3/4 t h of the work, before 3/4 of such time has elapsed. For special jobs, if a time schedule has been submitted by the contractor and the same has been accepted by the engineer-in-charge, the contractor shall comply with the said time schedule 5.2 If the work(s) be delayed by:i) force majeure, or ii) abnormally bad weather, or iii) serious loss or damage by fire, or iv) civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-charge in executing work not forming part of the contract or vi) Non-availability of stores, which are the responsibility of BSNL to supply. vii) Then upon the happening of any such event causing delay, the contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the atisfaction of the Engineer-in-Charge to proceed with the works. 5.3 Request for extension of time, to be eligible for consideration, shall be made by the contractor in writing within 30 days of the happening of the event causing delay. The contractor may also, if practicable, indicate in such a request the period for which extension is desired. Non application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-charge and this shall be binding on the contractor. CLAUSE 6 Measurement 6.1 All measurement of all items having financial value shall be entered in Measurement Book so that a complete record is obtained of all works performed of Work Done under the contract. 6.2 All Measurements shall be taken jointly by the Engineer-in-charge or his authorized representative and by the contractor or his authorized representative from time to time during the progress of the work and such measurements shall be signed and dated by the Engineer-in-charge and the contractor or their representatives in token of their acceptance. If the contractor objects to any of the measurements recorded, a note shall be made to that effect with reason and signed by both the parties. 6.3 If for any reason the contractor or his authorized representative is not available and the work of recording measurements is suspended by the Engineer-in-charge or his representative, the Engineer-in-charge and the BSNL shall not entertain any claim from contractor for any loss or damages on this account. If the contractor or his authorised representative does not remain present at the time of such measurements after the contractor or his authorised representative has been given a notice in writing three(3) days in advance or fails to countersign or to record objection within a week from the date of the measurement, then such measurements recorded in his absence by the Engineer-in-charge or his representative shall b deemed to be accepted by the contractor. 6.4 The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for recording 6.5 Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurement or any general or loca custom. In the case of items which are not covered by specifications, measurements shall be taken in accordance with the relevant standard method o measurement issued by the Bureau of Indian Standards and if for any items no such standard is available then a mutually agreed method shall be followed. 6.6 The contractor shall give not less than seven days notice in writing to the engineer-in-charge or his authorized subordinate in charge of the work before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is covered up or placed beyond the reach of measurement and shall not cover up and place beyond the reach of measurement any work without the consent in writing of the engineer-in-charge or his authorized subordinate in-charge of the work who shall within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of measurement without such notice having been given or the engineer-in-charge's consent being obtained the same shall be uncovered at the contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed. 6.7 Engineer-in-charge or his authorized representative may cause either themselves or through another officer of BSNL to check the measurements recorded jointly or otherwise as aforesaid and all provisions stipulated herein above shall be applicable to such checking of measurements 6.8 It is also a term of this contract that recording of measurements of any item of work in the measurement book and/or its payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defects liability period. CLAUSE 7 Payment on 7.1 No payment shall be made for a work estimated to cost rupees Twenty thousand or less till after the whole of the work shall have been completed and intermediate certificate of completion given. But in the case of a work estimated to cost more than Rs. Twenty thousand interim or running account bills shall Certificate to be be submitted by the contractor for the work executed on the basis of recorded measurements. The contractor shall not be entitled to be paid regarded as advance any interim payment if the gross work done since the last payment is less than Rs. Twenty thousand. 7.2 Interim payment on account of amount admissible shall be made by the Engineer-in-charge certifying the sum to which the contractor i considered entitled by way of interim payment at such rates as decided by the Engineer-in-charge. The amount admissible thshall be paid by 20 working day after the day of presentation of the bill by the contractor to the Engineer-in-charge or his Sub Divisional Engineer. 7.3.1 Payment to the contractors for Sub Station, Lifts, fire detection, fire fighting and other specialized items, during progress of work, will be

regulated as below :-

Page 29 of 64 Internet downloaded doc. a) 80% of prorata of the approved price breakup of contract value on receipt of equipment at site and after satisfactory physical inspection. b) 10% of prorata of the approved price breakup of contract value after successful installation of equipment. c) 5% of the approved contract value after successful completion of Initial acceptance testing. d) 5% of the approved contract value after successful completion of the final acceptance testing. e) For the works where A/T is not applicable e.g. for substation, lift, fire fighting etc. 5% of the approved contract value shall be released after clearance by Electrical inspector/ lift inspector/ Fire officer respectively. 7.3.2 Payment to the contractors for Air Conditioning and Engine Alternator, during progress of work, will be regulated as below: (a) In respect of part 'A' agreement 95% of the approved price on receipt of equipment at site and after satisfactory physical inspection. For claiming this payment, the following documents are to be submitted to the paying authority (i) Excise Gate Pass / Invoice or equivalent document. (ii) Delivery Challan. (iii) Consignee receipt. (iv) Proof of payment of Entry Tax etc., if any. (b) The balance 5% payment shall be made after Successful Installation, Commissioning and acceptance testing of equipment. © In respect of part 'B agreement prorate payment up to 75% of agreement rates shall be made on completion of physical installation. (d) No payment will be made for goods/equipment rejected at the site on testing. Payment, if made, for such items shall be recovered from subsequen bills or other bills of the supplier. (e) BSNL shall deduct statutory taxes and duties from payments due to the firm as per rules of the central/ State Government. The certificate for such deductions shall be issued to the firm by the Accounts Officer of the concerned Division. (f) Each claim bill of contractors must accompany the following: List showing the details of labourers/employees engaged. (ii) Duration of their engagement. (iii) The amount of wages paid to such labourers/ employees for the duration in question. (iv) Amount of EPF contributions (Both employer's & employees contribution) for the duration of engagement in question paid to the EPF authorities. (v) Copies of authenticated documents of payments of such contribution to EPF-authorities.authorities. (vi) A declaration from the contractors regarding compliance of the conditions of EPF-Act, 1952. (g) The bill passing authority will check the payment particulars regarding EPF contribution furnished by the contractors along with the bill as mentioned in Para 16.4 above and keep full records of the payments etc. each contract wise. The bill will be passed by the bill passing authority only if the contractor complies with the Terms and conditions of EPF Act, 1952. 7.4 All such intermediate payments shall be regarded as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound and imperfect or unskilled work to be removed and take away and reconstructed or re-erected or be considered as an admission of the due performance of the contract or any part thereof in any respect or the accruing of any claim nor shall it conclude, determine or affect in any way the powers of the engineer-in-charge under these conditions or any of them as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. 7.5 Pending consideration of extension of date of completion interim payments shall continue to be made as herein provided, without prejudice to the right of BSNL to take action under the terms of this contract for delay in the completion of work, if the extension of date of completion is not granted by the mpetent authority. Completion CLAUSE 8 Certificate 8.1 Within ten days of the completion of the work, the contractor shall give notice of such completion to the engineer-in-charge and within thirty days of the receipt of such notice the Completion engineer-in-charge shall inspect the work and if there is no defect in the work shall furnish Certificate the contractor with a final certificate of completion, otherwise a provisional certificate of physical completion indicating defects(a) to be rectified by the contractor /or(b) for which payment will be made at reduced rates, shall be issued but no final certificate of completion shall be issued, no shall the work be sidered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish and dirt etc. from the site. if the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus aterials and rubbish etc. the engineer-in-charge may at the expense of the contractor remove such scaffolding, surplus materials and rubbish etc. and dispose of the same as he thinks fit and clean of such dirt as aforesaid and the contractor shall have no claim in respect of any such scaffolding or surplus materials as aforesaid except for any sum actually realised by the sale thereof. 8.2 The contractor shall submit completion plan as required vide CPWD general specifications for Electrical works(part 1 - Internal) 1994 and (part II - External) 1995 /BSNL specifications as applicable within thirty days of the completion of the work. 8.3 In case, the contractor fails to submit the completion plan as aforesaid he shall be liable to pay a sum equivalent to 2.5% of the value of the work subject to a ceiling of Rs.15,000/- (Rs. Fifteen thousand only) as may be fixed by the Superintending Engineer concerned and in this respect the decision of the Superintending Engineer shall be final and binding on the contractor. Payment of 9.1 The final bill shall be submitted by the contractor in the same manner as specified in Payment interim bills within three months of physical final completion of the work or within one month of of Final the date of the final certificate of completion furnished by the Engineer-in-charge whichever earlier. No further claims shall be made by the contractor after submission of the final bill and these shall be deemed to have been waived and extinguished. payment of those items of the bill in respect of which there is no dispute and of items in dispute, for quantities and rates as approved by Engineer-incharge, will, as ar as possible be made within the period specified herein under, the period being reckoned from the date of receipt of the bill by the Engineer-in-charge or his authorized Sub Divisional Engineer, complete with account of materials issued by BSNL and dismantled materials) If the Tendered value of work is upto Rs. 5 lakhs : 3 months ii) If the Tendered value of work exceeds Rs. 5 lakhs: 6 months Payment of 9.2 Payments due to the contractor, may if so desired by him, be made to his bank instead of direct to him provided that the contractor furnishes to the Contractor's ngineer-in-charge (i) an authorization in the form of a legally valid documents such as a power of attorney Payment of conferring authority on the Bill to Banks bank to receive payments and (ii) his own acceptance of the Contractor's Bill correctness of the amount made out as being due to him by BSNL or his signature on the to Banks bill or other claim preferred against BSNL before settlement by the engineer-in-charge of the account or claim by the payment to the bank. While the receipt given by such bank shall constitute a full and sufficient discharge for the payment, the contractor shall whenever possible present his bills duly receipted and discharge through his bank. Nothing herein contained shall operate to create in favour of the bank any rights or equities vis-à-vis BSNL

Page 30 of 64 Internet downloaded doc CLAUSE 10 Material be i) Materials which BSNL will supply are shown in the Schedule of work / Schedule B. It also stipulates the quantum, place of issue and rate(s) to be provided by the Contractor charged in respect thereof. The contractor shall be bound to procure them from Engineer-in-charge. ii) As soon as the work is awarded, the contractor shall finalize the program for the completion of work as per clause 5 of this contract and shall give his estimates of materials required on the basis of drawings/or schedule of quantities of the work. The Contractor shall give in writing his equirement to the Engineer-in-charge which shall be issued to him keeping in view the progress of work as assessed by the Engineer-incharge. iii) The contractor shall see that only the required quantities of materials are got issued. Any such material remaining unused and in perfectly good condition at the time of completion or determination of the contract shall be returned to the Engineer-in-charge at the stores from which it was issued or at a place directed by him by a notice in writing. The contractor shall not be entitled for loading, transporting, unloading and stacking o such unused material except for the extra transportation, if any involved, beyond the original place of issue. iv) The contractor shall bear the cost of getting the material issued, loading, transporting to site, unloading, storing under cover as required, assembling and joining the several parts together as necessary. v) All stores/materials so supplied to the contractor or procured with the assistance of BSNL shall remain the absolute property of BSNL and the contractor shall be the trustee of the stores/materials, and the said stores/materials shall not be removed/disposed off from the site of the work on any account and shall be at all times open to inspection by the Engineer-in-charge or his authorized agent. vi) In the event of breach of the aforesaid condition, the contractor shall in addition to throwing himself open to account for contravention of the terms of the licenses or permit and/or for criminal breach of trust, be liable to BSNL for all advantages or profits resulting or which in the usual course would have resulted to him by reason of such breach. Provided that the contractor shall in no case be entitled to any compensation or damages or account of any delay in supply or non-supply thereof all or any such materials and stores provided further that the contractor shall be bound to execute the entire work if the materials are supplied by BSNL within the original scheduled time for completion of the work plus 50% thereof or schedule time plus 6 months wchever is more if the time of completion of work exceeds 12 months but if a part of the materials only has been supplied within the aforesaid period then the contractor shall be bound to do so much of the work as may be possible with the materials and stores supplied in the aforesaid period. For the completion of the rest of the work, the contractor shall be entitled to such extension of time as may be determined by the Engineer-in-charge whose decision in this regard shall be final and binding on the contractor CLAUSE 10A The contractor shall, at his own expense, provide all materials, required for the works other than those which are stipulated to be supplied by BSNL. i) The contractor, shall at his own expense and without delay, supply to the Engineer-in-charge samples of materials to be used on the work and shall get these approved in advance. All such materials to be provided by the contractor shall be in conformity with the specifications laid down or eferred to in the contract. The contractor shall, if requested by the Engineer-in-charge furnish proof, to the satisfaction of the Engineer in-icharge that the materials so comply. The Engineer-in-charge shall within thirty days of supply of samples or within such further period as he may require intimate to the contractor in writing whether samples are approved by him or not. If samples are not approved, the contractor shall forthwith arrange to supply to the Engineer-in-charge for his approval fresh samples complying with the specifications laid down in the contract. When materials are required to be tested in accordance with specifications, approval of the Engineer-in-charge shall be issued after the test results are ii) The contractor shall at his risk and cost submit the samples of materials to be tested or analysed and shall not make use of or incorporate in the work any materials represented by the samples until the required tests or analysis have been made and materials finally accepted by the Engineer-in charge. The contractor shall not be eligible for any claim or compensation either arising out of any delay in the work or due to any corrective measure: required to be taken on account of and as a result of testing of materials. iii) The Engineer-in-charge or his authorized representative shall at all times have access to the works and to all workshops and places where work is being prepared or from where materials, manufactured articles or machinery are being obtained for the works and the contractor shall afford every facility and every assistance in obtaining the right to such access. i) The Engineer-in-charge shall have full powers to require the removal from the premises of all materials which in his opinion are not in accordance with the specifications and in case of default the Engineer-in-charge shall be at liberty to employ at the expense of the contractor other persons to remove the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The engineer-in-charge shall also have full powers to require other proper materials to be substituted thereof and in case of default the engineer-in-charge may cause the same to be supplied and all costs which may attend such removal and substitution are to be borne by the contractor CLAUSE 10B The contractor(s) shall make his/their own arrangements for water/electricity required for internal/external electrification work and nothing extra will b paid for the same. In respect of specialized works like DG Set, Air conditioning, Fire Detection etc. water/ electricity supply shall be made available by BSNL free of cost for erection/testing CLAUSE 10 C In respect of Contracts with stipulated time period of completion being less than 18 (Eighteen) months, if after submission of the tender the wages of labour increases as a direct result of the coming into force of any fresh law, or statutory rule or order and such increase exceeds ten per cent of the wages prevailing at the time of the last stipulated date for receipt of the tenders including extensions if any for the work, and the contractor thereupon necessarily and properly pays in respect of labour engaged on the execution of the work such increased wages, then the amount of the contract shall accordingly be varied. Provided always that any increase so payable is not, in the opinion of the Superintending Engineer (whose decision shall be final and binding on the contractor) attributable to any delay in the execution of the contract within the control of the contractor. Provided, however, no reimbursement shall be made if the increase is not more than 10% of the said wages, and if so, the reimbursement shall be made only on the excess over 10% and provided further that any such increase shall not be payable if such increase has become operative after the contract or extended date of completion of the work in question. If after submission of the tender, the wages of labour is decreased as a direct result of the coming into force of any fresh law or statutory rules or order and such decrease exceeds ten per cent of the wages prevailing at the time of receipt of the tender for the work, the BSNL shall in respect of labour engaged on the execution of the work after the date of coming into force of such law statutory rule or order be entitled to deduct from the dues of the contractor such amount as shall be equivalent to the difference between the wages as prevailed at the time of the last stipulated date for receipt of tenders including extensions if any for the work minus ten per cent thereof and the wages of labour on the coming into force of such law, statutory rule or order.

Page 31 of 64 Internet downloaded doc. The contractor shall, for the purpose of this condition, keep such books of account and other documents as are necessary to show the amount of any increase claimed or reduction available and shall allow inspection of the same by a duly authorized representative of the BSNL, and further shall, at the request of the Engineer-in-Charge may require any documents so kept and such other information as the Engineer-in-Charge may The contractor shall, within a reasonable time of his becoming aware of any alteration in the wages of labour, give notice thereof to the Engineer-in-Charge stating that the same is given pursuant to this condition together with all information relating thereto which he may be in position to supply OCC.1 If the prices of materials (not being materials supplied or services rendered at fixed prices by BSNL in accordance with clause 10 A thereof and/or wages of labour required for execution of the work increase, the contractor shall be compensated for such increase as per provisions detailed below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation for escalation in prices shall be available only for the work done during the stipulated period of the contract including such period for which the contract is validity extended under the provisions of clause 5 of the contract without any action under Clause 2 . However, for the work done during the justified period extended as above the compensation as detailed below will be limited to prices wages prevailing at the time of stipulated date of completion or as prevailing for the period under consideration, whichever is less. No such compensation shall be payable for a work for which the stipulated period of completion i 18 months or less. Such compensation for escalation in the prices of materials and labour when due, shall be worked out based on the following provisions: For Lift Work: In respect of works relating to supply and installation of lifts/escalators price variation clause as per IEEMA shall be applicable. B) For work other than lift: i) The base date for working out such escalation shall be the last date of receipt of tenders including extension, if any. ii) The cost of work on which escalation will be payable shall be reckoned as below :a) Gross value of work done upto this quarter : (A) b) Gross value of work done upto the last quarter : (B) c) Gross value of work done since previous quarter (A-B): (C) d) Extra items paid as per Clause 12 & 12A based on: (D) Prevailing market rate during this quarter e) Cost of work (W) for which escalation is applicable W = 0.85 M [Where M = (C - D)] iii) The components of materials and labour in working out such percentages are given below and shall be binding on the contractor. For AC, DG, S/Stn.,F.D., F.F. For internal/external Electrical Works & other specialized works A) material 85% percent A) material 75% percent B) labour 25% percent B) labour 15% percent iv) The compensation for escalation for materials shall be worked out as per the formula given below:-Vm = W x Xm/100 x MI-Mio/Mio Vm- Variation in material cost i.e. Increase or decrease in the amount in rupees to be paid or recovered. W- Cost of work done worked out as indicated in sub para (ii) above Xm- Component of materials expressed as percent of the total value of work MI- All India whole sale index for all commodities for the period under consideration as published by the Economic Advisor to Government of India, Ministry of Industry and Commerce. MIo- All India whole sale price index for all commodities valid on the last stipulated date of receipt of tender including extension if any, as published by the Economic Advisor to Government of India, Ministry of Industry and Commerce. v) The following principles shall be followed while working out indices mentioned in sub-Para (iv) above. a) The compensation for escalation shall be worked out at quarterly intervals and shall be with respect to the cost or work done as per bills paid during the three calendar months of the said quarter. The first such payment shall be made at the end of three months after the month (excluding) in which the tender was accepted and thereafter at three months interval. At the time of completion of the work, the last period for payment might become less than three months, depending on the actual date of completion. b) The index (MI) Relevant to any quarter for which such compensation is paid shall be the arithmetical average of the indexes relevant to the three lendar months. If the period up to date of completion after the quarter covered by the last such installment of payment is less than three months, the index MI shall be the average of the indices for the month falling within that period. vi) The compensation for escalation for labour shall be worked out as per the formula given below: $VL = W \times Y/100 \times Ll-Llo / Llo$ VL- Variation in labour cost i.e. Increase or decrease in the amount in rupees to be paid or recovered. W - Value of work done, worked out as indicated in sub para (ii) above Y - Component of labour expressed as percentage of the total value of work LIo-Minimum daily wage in rupees of an unskilled adult male mazdoor, fixed under any law, statutory rule or order as on the last stipulated date of receipt of tender including extension, if any. LI - Minimum wage in rupees of an unskilled adult male mazdoor, fixed under any law, statutory rule or order as applicable on the last day of the quarter previous to one under consideration. vii) The following principles will be followed while working out the compensation as per sub para (vi) above a) The minimum wage of an unskilled male mazdoor mentioned in sub para (vi) above shall be the higher of the following two figures, namely those notified by government of India, ministry of labour and those notified by the local administration both relevant to the place of work and the period of reckoning. b) The escalation for labour also shall be paid at the same quarterly intervals when escalation due to increase in the cost of materials is paid under this clause. If such revision of minimum wages takes place during any such quarterly intervals, the escalation compensation shall be payable at revised rates only for work done in subsequent quarters. c) Irrespective of variations in minimum wages of any category of labour, for the purpose of this clause, the variation in the rates for an unskilled adult male mazdoor alone shall form the basis for working out the escalation compensation payable on the labour component. viii) In the event the price of materials and/or wages of labour required for execution of the work decrease/s, there shall be downward adjustment of the cost of work so that such price of materials and/or wages of labour shall be deductable from the cost of work under this contract and in this regard

formula herein before stated under this clause 10(cc) shall mutatis mutandis apply, provided that

Internet downloaded doc. Page 32 of 64 a) No such adjustment for the decrease in the price of materials and/ or wages of labour afore-mentioned would be made in case of contracts in which the stipulated period of completion of the work is eighteen months or less. b) The engineer-in-charge shall otherwise be entitled to lay down the procedures by which the provision of this sub-clause shall be implemented from time to time and the decision of the engineer-in-charge in this behalf shall be final and binding on the contractor. ix) Provided always that the provision of the preceding clause 10 (C) shall not be applicable for contracts where provisions of this clause are applicable but in cases where provision of this clause are not applicable, the provisions of clause 10(C) will become applicable. The contractor shall treat all materials obtained during dismantling of an installation, excavation of the site for a work etc. as BSNL's property and such materials shall be disposed of to the best advantage of BSNL according to the instructions in writing issued by the engineer-in-charge Work to be 11.1 The contractor shall execute the whole and every part of the work in the most substantial and workman like manner and both as regards materials Executed in Accordance and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly fully and faithfully to the designs, with Soecifications, drawings and instructions in writing in respect of the work signed by the engineer-in-charge. The contractor shall take full responsibility for Drawings, Orders, etc. adequacy, suitability and safety of all the works and methods of installation. 11.2 In the case of any class of work for which there is no such specification as referred to Clause 11.1, such work shall be carried out in accordance with the Bureau of Indian Standards specification, in case there is no such specifications in Bureau of Indian Standards, the work shall be carried out as per manufacturer's specifications. In case there are no such specifications as required above the work shall be carried out in all respect in accordance with the instructions and requirements of the Engineer-in-charge. CLAUSE 12 Devation. 12.1 The engineer-in-charge shall have power Variations i) To make any alterations in, omissions from, additions to or substitutions for the original specifications, drawings, designs and instructions, that Extent and may appear to him to be necessary or advisable during the progress of the work and Pricing ii) To omit a part of the works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the work in accordance with any instructions given to him in writing signed by the engineer-in-charge, and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the work, shall be carried out by the contractor on the same conditions in all respects on which he agreed to do the main work except as hereafter provided 12.1.1 The time for the completion of work shall, in the event of any deviations resulting in additional cost over the tendered value of sum being ordered, be extended, if requested by the contractor, as follows: i) In the proportion which the additional cost of the altered, additional or substituted work, bears to the original tendered value plus. ii) 25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the Engineer-in-charge. 12. 2 Rates for such altered, additional or substituted work shall be determined by the Engineer- in-charge as follows:i) If the rates for the additional, altered or substituted item of work is specified in the schedule of quantity, the contractor shall carry out the altered, additional or substituted item at the same rate. ii) If the rate for any additional altered or substituted item of work is not specified in the schedule of quantities, the rate for that item shall be derived from the rate for the nearest similar item specified therein. iii) If the rate for altered, additional or substituted item of work cannot be determined in the manner specified in sub paras (i) and (ii) above then such item of works shall be carried out at the rate entered in the CPWD schedule of Rates as mentioned in the Schedule 'F' minus/plus the percentage by which the tendered amount of the work actually awarded is higher or lower than the corresponding estimated amount of the work actually awarded. iv) If the rates for the altered additional or substituted item of work can not determined in the manner specified in the sub-clauses (i) to (iii) above, then the rates for such item of work shall be derived from the Schedule of Rates specified in sub para above (iii) minus/plus the percentage mentioned in that sub para. Provided always that if rates(s) for part(s) of the item(s) are not available in the schedule of rates specified above, rate for part(s) of such item(s) shall be determined on the basis of the market rate(s) prevailing during the fortnight following the date of the order plus ten percent for profit and overhead v) If the rates for the altered, additional or substituted item of work can not be determined in the manner specified in sub-paras (i) to (iv) above the contractor shall within 15 days of the date of receipt of order to carry out the said work, inform the engineer-in-charge of the rate which he proposes to claim for such item of work, supported by analysis of rate claimed and the Engineer-in-charge shall within three months thereafter after giving due consideration to the rate claimed by the contractor, determine the rate or rates on the basis of prevailing market rates. In the event o contractor failing to inform the Engineer-in-charge within the stipulated period of time, the rate which he proposes to claim, the rate for such item shall be determined by the Engineer-in-charge on the basis of market rate(s). vi) Provided further that in case where the original item is substituted, the substituted item shall be deemed to have replaced the original item in the contract itself to that extent and above provisions pertaining to the deviations shall apply with respect to such substituted item and not the original item. 12.3 Increase/ Decrease of tendered quantity a) BSNL will have the right to increase or decrease up to 50% of the quantity of goods and services specified in the schedule of items without any change in the unit price or other terms and conditions at the time of award of contract. In exceptional and unavoidable cases BSNL can increase the quantity of goods and services beyond 50 % of the tendered quantity without any change in tendered and accepted unit price and also other terms and conditions as applicable at the time of award of contract. CLAUSE 13 Foreclosure of 13.1 If at any time after acceptance of the tender BSNL shall decide to abandon or reduce the scope of the works for any reason whatsoever and hence Contract due to not require the whole or any part

Obanderer ert.	&G Page 3:
or Reduction in Scope of Work	of the works to be carried out, the Engineer-in-charge shall give notice in writing to that effect to the contractor and the contractor shall accordingly in the matter. The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit of advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole of
	part of the works.
	13.2 The contractor shall be paid at contract rates full amount for works executed at site and in addition, a reasonable amount as certified by the
	Engineer-in-charge for the items hereunder mentioned which could not be utilised on the work to the full extent in view of the foreclosures. i) Reasonable compensation for transfer of T&P and staff from site to contractor's permanent stores or to his other works, whichever is less. I T&P/staff are not transported to either of the said places, no cost of transportation shall be payable.
	ii) BSNL shall have the option to take over contractor's materials or any part thereof either brought to site or to which the contractor is legally bound t accept delivery from suppliers (for incorporation in or incidental to the work) provided, however BSNL shall be bound to take over the materials or
	such portions thereof as the contractor does not desire to retain. For materials taken over or to be taken over by BSNL cost of such materials a detailed by Engineer-in-charge shall be paid. The cost shall, however, take into account purchase price, cost of transportation and deterioration of
	damage which may have been caused to materials whilst in the custody of the contractor. 13.3 The contractor shall, if required by the Engineer-in-charge, furnish to him books of account, wage books and other relevant documents an
	evidences as may be necessary to enable him to certify the reasonable amount payable under this condition. 13.4 The reasonable amount of item(s) on13.2 (i) above shall not be in excess of 2% of the cost of the work remaining incomplete on the date of the cost of the work remain
	closure, i.e. total stipulated cost of the work as per accepted tender less the cost of work actually executed under the contract and less the cost of contractor's materials at site taken over by BSNL as per item 13.2 (ii) above. Provided always that against any payments due to the contractor on the
	account or otherwise, the Engineer-in-charge shall be entitled to recover or be credited with any outstanding balances due from the contractor for advance paid in respect of any work and materials and any other sums which at the date of termination were recoverable by BSNL from the contractor
Suspension of	under the terms of the contract. CLAUSE 14 14.1 If contractor:
Work	i) at any time makes default in proceeding with the works or any part of the work with the due diligence and continues to do so after a notice i
	writing of 7 days from the Engineer-in-charge; or ii) commits default to complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remed
	within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-charge; or iii) fails to complete the works or items of work with individual dates of completion, on or before the date(s) of completion, and does not complete there
	within the period specified in a notice given in writing in that behalf by the Engineer-in-charge; or iv) Shall offer or give or agree to give to any person in BSNL service or to any other person on his behalf any gift or consideration of any kind as a
	inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any othe contract for BSNL or
	v) Shall enter into a contract with BSNL in connection with which commission has been paid or agreed to be paid by him or to his knowledge unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Acceptin
	Authority/Engineer-in-charge; or vi) Shall obtain a contract with BSNL as a result of wrong tendering or other non-bonafide methods of competitive tendering; or
	vii) being an individual, or if a firm, any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of
	amalgamation or reconstruction) under any insolvency Act for the time being in force or make any conveyance or assignment of his effects or
	composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any insolvency Act for the tim being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors; or
	viii) being a company, shall pass a resolution or the court shall make an order for the winding up of the company, or a receiver or manager on behalf of the debenture holders or otherwise shall be appointed or circumstances shall arise which entitle the court or debenture holders to appoint a receiver of
	manager; or ix) Shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days or
	x) Assigns, transfers, sublets (engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Accepting Authority.
	(a) The Accepting Authority may, without prejudice to any other right or remedy which shall have accrued or shall accrue hereafter to BSNL by notice in writing to cancel the contract as a whole or only such items of work in default from the contract. 14.2 The Engineer-in-charge shall o
	such cancellation by the Accepting Authority have powers to: (a) take possession of the site and any materials, equipment, implements, stores etc. thereon and/or
	(b) carry out the incomplete work by any means at the risk and cost of the contractor. 14.3 On cancellation of the contract in full or in part, the Engineer-in-charge shall determine what amount, if any, is recoverable from the contractor.
	for completion of the works or part of the works or in case the works or in case the works or part of the works is not to be completed, the loss of damage suffered by BSNL. In determining the amount, credit shall be given to the contractor for the value of the work executed by him up to the
	time of cancellation, the value of contractor's materials taken over and incorporated in the work and use of plant and machinery belonging to the contractor.
	14.4 Any excess expenditure incurred or to be incurred by BSNL in completing the works or part of the works or the excess loss or damage suffered or may be suffered by BSNL as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to BSN.
	in law be recovered from any moneys due to the contractor on any account, and if such money are not sufficient the contractor shall be called upon i writing and shall be liable to pay the same within 30 days.
	14.5 If the contractor shall fail to pay the required sum within the aforesaid period of 30 days, the Engineer-in-charge shall have the right to se any or all of the contractors' unused materials, plant, implements etc. and apply the proceeds of sale thereof towards the satisfaction of any sum
	due from the contractor under the contract and if thereafter there be any balance outstanding from the contractor, it shall be recovered in accordance wit the provisions of the contract.
	14.6 Any sums in excess of the amount due to BSNL and unsold materials, tools and plant etc. shall be returned to the contractor, provided always the if cost or anticipated cost of completion by BSNL of the works or part of the works is less than the amount which the contractor would have bee
	paid had he completed the works or part of the works, such benefit shall not accrue to the contractor. CLAUSE 15
Inspection and supervision of	15.1 i) The contractor shall, on receipt of the order in writing of the Engineer-in-charge (whose decision shall be final and binding on the contractor) suspend the progress (whose decision shall be final and binding on the contractor) suspend the progress of the works or any part thereof for
Work	such time and in such manner as the Engineer-in-charge may consider necessary so as not to cause any damage or injury to the work alread done or endanger the safety thereof for any of theinjury to the work already done or endanger the safety thereof for any of the followin
	reasons.
	a) on account of any default on the part of the contractor or

Internet downloaded doc. c) for safety of the works or part thereof. Page 34 of 64 The contractor shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Engineer-in-charge. ii) If the suspension is ordered for reasons (b) and (c) in sub para (i) above. a) The contractor shall be entitled to an extension of time equal to the period of every such suspension plus 25% of completion time specified in the b) If the total period of all such suspensions in respect of the work exceeds thirty days, the contractor shall, in addition, be entitled to such compensation as the Engineer-in-charge may consider reasonable in respect of salaries and/or wages paid by the contractor to his employees and labour at site, remaining idle during the period of suspension, adding thereto 2% to cover indirect expenses of the contractor. Provided the contractor submits his claim supported by details to the Engineer-in-charge within fifteen days of the expiry of the period of 30 days. c) If the works or part thereof is suspended on the orders of the Engineer-in-charge for more than three months at a time, except when suspension is ordered for reason 15.1 i) (a) in sub para above, the contractor may after receipt of such order serve a written notice on the Engineer-in-charge requiring permission within fifteen days from receipt by the Engineer-in- charge of the said notice, to proceed with the work or part thereof in regard to which progress has been suspended and if such permission is not granted within that time, the contractor, if he intends to treat the suspension, where it affects only a part of the works as an omission of such part by BSNL or where it affects whole of the works, as an abandonment of the works by BSNL, shall within ten days of expiry of such period of 15 days give notice in writing of his intention to the Engineer-in-charge. In the event of the contractor treating the suspension as an abandonment of the contract by BSNL, he shall have no claim to payment of any compensation or account of any profit or advantage which he might have derived from the execution of the work in full but which he could not derive in consequence of the abandonment. He shall, however, be entitled to such compensation, as the Engineer-in-charge may consider reasonable, in respec of salaries and/or wages paid by him to his employees and labour at site, remaining idle in consequence adding to the total thereof 2% to cover indirect expenses of the contractor provided the contractor submits his claim supported by details to the Engineer-in-charge within 30 days of the expiry of the period of three months. 15.2 Provided further that the contractor shall not be entitled to claim any compensation from BSNL for the loss suffered by him on account of delay by BSNL in the supply of materials in schedule of work where such delay is covered by difficulties relating to the availability of trucks, force majeure including non-allotment of such materials by controlling authorities, acts of God, acts of enemies of the state/country or any reasonable causbeyond the control of BSNL CLAUSE 16 Rectification of 16.1 All work under or in course of execution or executed in pursuance of the contract shall at all time be open and accessible to the inspection and Defects supervision of the Engineer-in-charge, his authorised subordinates in charge of the work and all the superior officers, officer of the Vigilance Cell of BSNL and of the Chief Technical Examiner's office (CVC) and the contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the intention of the engineer-in-charge or his authorised subordinate to visit the works, shall have been given to the contractor, either himself be present to receive order and instructions, or have a responsible agent duly accredited in writing present for that purpose. Orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself. 16.2 If it shall appear to the Engineer-in-charge or his authorised subordinates in charge of the work or to the Chief Engineer-in-charge/Vigilance Cell or his subordinate officers or to the Chief Technical Examiner or his subordinate officers, that any work has been executed with unsound, imperfect or unskillful workmanship, or with materials or articles provided by him for the execution of the work which are unsound or of a quality inferior to that contracted or otherwise not in accordance with the contract the contractor shall on demand in writing which shall be made within six months of the completion of the work from the Engineer-in-charge specifying the work, materials or articles complained of notwithstanding that the same may have been passed, certified and paid for forthwith rectify or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own charge and cost. In the event of his failing to do so within a period specified by the Engineer-in-charge in the demand aforesaid, there the contractor shall be liable to pay compensation at the same rate as under clause 2 of the contract (for non-completion of the work in time) for this default. 16.3 In such case the Engineer-in-charge may not accept the item of work at the rates applicable under the contract but may accept such items at reduced rates as the competent authority (Superintending Engineer) may consider reasonable during the preparation of on account bills or final bill if the item is so acceptable without detriment to the safety and utility of the item and the equipment or he may reject the work outright without any payment and/or get it an other connected and incidental items rectified, or removed and re-executed at the risk and cost of the contractor. Decision of the Engineer-in-charge to be conveyed in writing in respect of the same will be final and binding on the contractor. CLAUSE 17 Contractor If the contractor or his working people or servants shall break, deface, injure or destroy any part of building in which they may be working, or any liable for building road, road kerb, fence enclosure, water pipe, cable drains, electric or telephone post or wires, trees, grass or grassland, or cultivated ground damages contiguous to the premises on which the work or any part of its is being executed or if any damage shall happen to the work while in progress, from any defects during cause whatever or if any defect, shrinkage or other faults appear in the work within twelve months after a certificate final or otherwise of its maintenance completion shall have been given by the engineer-in-charge as aforesaid arising out of defective or improper materials or workmanship the contractor Period shall upon a receipt of a notice in writing on that behalf make the same good at his own expense, or in default, the engineer-in-charge may cause the performance guarantee and security deposit or the proceeds of sale there of or of a same to be made good by other workmen and deduct the expense from any sums that may be due, or at any time thereafter may become due to the contractor, or from sufficient portion thereof. The performance guarantee and security deposit of the contractor shall not be refunded before the expiry of twelve months after the issue of the certificate final or otherwise, of completion of work, or till the final bill has been prepared and passed whichever is later. CLAUSE 18 Contractor to The contractor shall provide at his own cost all materials (except such special materials if any, as may in accordance with the contract be supplied supply Tools from the engineer-in-charge's stores), Plant, tools, appliances, implements, ladders, cordage, tackle, scaffolding and temporary works required for the and Plants etc. proper execution of the work, whether original, altered or substituted and whether included in the specification or other documents forming part of the contract or referred to in these conditions or not, or which may be necessary for the purpose of satisfying or complying with the requirements of engineer-incharge as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage therefore to and from the work. The contractor, shall also supply without charge the requisite number of persons with the means and materials, necessary for the purpose of setting out works, and counting, weighing and assisting in the measurements or examination at any time and from time to time of the work of materials. Falling his so doing the same may be provided by the engineer-in-charge at the expenses of the contractor and the expenses may be deducted, from any money due to the contractor, under this contract or otherwise and or from his performance guarantee or the proceeds of sale thereof, or of a sufficient portions thereof.

CLAUSE 18 A

following specifications

Internet cownloaded doc. b) The contractor(s) shall in addition construct suitable cooking places having a minimum area of 1.80m X 1.50m(6'X5') adjacent to the hut for each equality. of 64

1	&G Page 3
	c) The contractor(s) shall also construct temporary latrines and urinals for the use of the labourers each on the scale of not less than four per each
	one hundred of the total strength, separate latrines and urinals being provided for women.

Where the contractor is an individual or a Hindu undivided family business concern such approval as aforesaid shall Constitution to likewise be obtained before the contractor enters into any partnership agreement where-under the partnership firm would have the right to carry out be intimated the works hereby undertaken by the contractor. If previous approval as aforesaid is not obtained, the contract shall be deemed to have been assigned in contravention of Clause 21 hereof and the same action may be taken, and the same consequences shall ensue as provided in the said Clause 21 All works to be executed under the contract shall be executed under the direction and subject to the approval in all respects of the Engineer-in-Charge who shall be entitled to direct at what point or points and in what manner they are to be commenced, and from time to time carried on Settlement of Except where otherwise provided in the contract all questions and disputes relating to the meaning of the specifications, design, drawings and Disputes & instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matte Arbitration or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions orders or thes conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:-(i) If the contractor considers that he is entitled to any extra payment or compensation in respect of the works over and above the amounts admitted as payable by the BSNL or in case the contractor wants to dispute the validity of any deductions or recoveries made or proposed to be made from the contract, the contractor shall forthwith give notice in writing of his claim, in this behalf to the Engineer-in-Charge within 30 days from the date of disallowance thereof for which the contractor claims such additional payment or compensation or disputes the validity of any deduction or recovery The said notice shall give full particulars of the claim, grounds on which it is based and detailed calculations of the amount claimed and the contractor shall not be entitled to raise any claim nor shall the BSNL be in any way liable in respect of any claim by the contractor unless notice of such claim shall have been given by the contractor to the Engineer-in-Charge in the manner and within the time as aforesaid. The contractor shall be deemed to have waived and extinguished all his rights in respect of any claims not notified to the Engineer-in-Charge in writing in the manner and within the time aforesaid. (ii) The Engineer-in-Charge shall give his decision in writing on the claims notified by the contractor within 30 days of the receipt of the notice thereof. If the contractor is not satisfied with the decision of the Engineer-in-Charge, the contractor may within 15 days of the receipt of the decision of the Engineer-in- Charge submit his claims to the conciliating authority named in Schedule 'F' for conciliation along with all details and copies of correspondence exchanged between him and the Engineer-in-Charge. (iii) The party initiating conciliation shall send to the other party a written invitation to conciliate. Conciliation proceedings shall commence when the other party accepts in writing the invitation to conciliate. If the other party rejects the invitation, or does not reply within thirty days from the date of invitation, there will be no Conciliation Proceedings. (iv) When it appears to the Conciliator that there exists element of a settlement which may be acceptable to the parties, he shall formulate the terms of a possible settlement and submit them to parties for their observation after receiving the observations of the parties. He may reformulate the terms of a possible settlement in the light of such observations. If the parties reach agreement on settlement of the dispute, they may draw up and sign a written settlement agreement. Parties may request the Conciliator to draw up or assist them in drawing up the settlement agreement. Such settlement agreement shall have the same status and effect as if it is an arbitral award on agreed terms on the substance of the dispute rendered by an arbitra tribunal under section 30 of Arbitration and Conciliation Act 1996. If a settlement does not appear possible, the Conciliator, after consultation with the parties will give a written declaration that further efforts at Conciliation are no longer justified and the Conciliation Proceedings are terminated. (v) When conciliation proceedings have become in-fructuous or have been terminated the party, which initiated the Conciliation shall, within a period of 30 days of termination thereof shall give a notice, in the form prescribed by the BSNL, to the Chief Engineer, Bharat Sanchar Nigam Limited in charge of the work or if there be no Chief Engineer, to the Administrative Head of the Bharat Sanchar Nigam Limited for appointment of an arbitrator to adjudicate the notified claims failing which the claims of the contractor shall be deemed to have been considered absolutely barred and waived. (vi) Except where the decisions have become final, binding and conclusive in terms of the contract, all disputes arising out of the notified claims of the contractor as aforesaid and all claims of the BSNL shall be referred for adjudication through the arbitration by the Sole Arbitrator appointed by the Chief Engineer, Bharat Sanchar Nigam Limited in-charge of the work or if there be no Chief Engineer, the Administrative Head of the Bharat Sanchar Nigam Limited. It will also be no objection to any such appointment that the Arbitrator so appointed is a BSNL Employee and that he had to deal with the matters to which the Contract relates in the course of his duties as BSNL Employee. If the arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another sole arbitrator shall be appointed in the manner aforesaid by the said Chief Engineer. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claimed in respect of each dispute alongwith the notice for appointment of arbitrator. It is also a term of this contract that no person other than a person appointed by such Chief Engineer, Bharat Sanchar Nigam Limited or the administrative head of the Bharat Sanchar Nigam Limited as aforesaid should act as arbitrator and if for any reasons that is not possible, the matter shall not be referred to arbitration at all. The conciliation and arbitration shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act 1996 or any statutory modification or re-enactment thereof and the rules made thereunder and for the time being in force shall apply to the arbitration proceeding under this clause It is also a term of this contract that the arbitrator shall adjudicate on only such disputes as are referred to him by the appointing authority and give separate award against each disputes and claim referred to him. The arbitrator shall give reasons for the award for each dispute referred to him. It is also a term of the contract that if any fees are payable to the arbitrator these shall be paid equally by both the parties. It is also a term of the contract that the arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties calling them to submit their statement of claims and counter statement of claims. The venue of the arbitration shall be such place as may be fixed by the arbitrator in his sole discretion. The fees, if any, of the arbitrator shall, if required to be paid before the award is made and published, be paid half and half by each of the parties. The cost of the reference and of the award (including the fees, if any, of the arbitrator) shall be in the discretion of the arbitrator who may direct to any, by whom and in what manner, such costs or any part thereof, shall be paid and fix or settle the amount of costs

Page 40 of 64 Internet downloaded doc. CLAUSE 26 Contractor to The Contractor shall fully indemnify and keep indemnified the Bharat Sanchar Nigam Limited against any action, claim or proceeding relating to Indemnify infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties which may be payable in respect of BSNL against any article or part thereof included in the contract. In the event of any claims made under or action brought against BSNL in respect of any such Patent Rights matters as aforesaid the contractor shall be immediately notified thereof and the contractor shall be at liberty, at his own expense, to settle any dispute or to conduct any litigation that may arise therefrom, provided that the contractor shall not be liable to indemnify the Bharat Sanchar Nigam Limited if the infringement of the patent or design or any alleged patents or design right is the direct result of an order passed by the Engineer-in-Charge in this behalf. CLAUSE 27 When the estimate on which a tender is made includes lump sum in respect of parts of the work ,the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under this contract for such items, or if the part of the work in question is not ,in the opinion of the Engineer-in -charge payable of measurement ,the Engineer-In charge may at his discretion pay the lump sum amount entered in the estimate and the certificate in writing of the Engineer-In-Charge shall be final and conclusive against the contractor with regard to any sum or sums payable to him under the provisions of the clause CLAUSE 28 Action where In case of any class of work for which there are no such specifications as referred to in Clause 11 such work shall be carried out in accordance with the Bureau of Indian Standards specifications. In case there is no such specifications in Bureau of Indian Standards, the work shall be carried out as per Specifications manufacturer's specifications. In case no such manufacturer's specifications is available then as per District Specifications. In case there are no such are specified specifications as required above, the work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer Withholding i) Whenever any claim or claims for payment of a sum of money arises out of or under the contract or against the contractor, the Engineer-in-Charge o and lien in the Government shall be entitled to withhold and also have a lien to retain such sum or sums in whole or in part from the security, if any, respect of deposited by the contractor and for the purposes aforesaid, the Engineer-in-Charge or the Government shall be entitled to withhold the security sum due from deposit, if any, furnished as the case may be and also have lien over the same pending finalisation or adjudication of any such claim. In the event of the the Contractor security being insufficient to cover the claimed amount or amounts or if no security has been taken from the contractor, the Engineer-in-Charge or the Government shall be entitled to withhold and have a lien to retain such claimed amount or amounts referred to above, from any sum or sums found payable or which may at any time thereafter become payable to the contractor under the same contract or any other contract with the Engineer-in-Charge of the Government or any contracting person through the Engineer-in-Charge pending finalisation of adjudication of any such claim. It is an agreed term of the contract that the sum of money or moneys so withheld or retained under the lien referred to above by the Engineer in-Charge or Government will be kept withheld or retained as such, by the Engineer-in-Charge, till the claim arising out of or under the contract is determined by the arbitrator (if the contract is governed by the arbitration clause) or by the competent court, as the case may be and tha the contractor will have no claim for interest or damages whatsoever on any account in respect of such withholding or retention under the lier referred to above and duly notified as such to the contractor. For the purpose of this clause, where the contractor is a partnership firm or a limitecompany, the Engineer-in-charge or the Government shall be entitled to withhold and also have a lien to retain towards such claimed amount or amount in whole or in part from any sum found payable to any partner/limited company as the case may be ,whether in his individual capacity or otherwise. ii) Government shall have the right to cause an audit and technical examination of the works and the final bills of the contractor including al supporting vouchers, abstract, etc., to be made after payment of the final bill and if as a result of such audit and technical examination any sum is found to have been overpaid in respect of any work done by the contractor under the contract or any work claimed to have been done by him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over-payment and it shall be lawful for Government to recover the same from him in the manner prescribed in sub-clause (i) of this clause or in any other manner legally permissible; and if it is found that the contractor was paid less than what was due to him under the contract in respect of any work executed by him under it, the amount of such under payment shall be duly paid by the Government to the contractor, without any interest thereon whatsoever. Provided that the Government shall not be entitled to recover any sum overpaid, nor the contractor shall be entitled to payment of any sum paid short where such payment has been agreed upon between the Superintending Engineer or Executive Engineer on the one hand and the contractor on the other under any term of the contract permitting payment for work after assessment by the Superintending Engineer or the Executive Engineer. CLAUSE 29 A Any sum of money due and payable to the contractor (including the security deposit returnable to him) under the contract may be withheld o Lien in respect of claims in retained by way of lien by the Engineer-in-Charge or the Government or any other contracting person or persons or through Engineer-in-Charge other contracts against any claim of the Engineer-in-Charge of Government or such other person or persons in respect of payment of a sum of money arising out or under any other contract made by the contractor with the Engineer-in-Charge or of the Government or with such other person or persons. It is an agreed term of the contract that the sum of money so withheld or retained under this clause by the Engineer-in-Charge or the Government will be kept withheld or retained as such by the Engineer-in-Charge or the Government or till his claim arising out of the same contract or any other contract is either mutually settled or determined by the arbitration clause or by the competent court, as the case may be and that the contractor shall have no claim for interest or damages whatsoever on this account or on any other ground in respect of any sum of money withheld or retained under this clause and duly notified as such to the contractor. CLAUSE 30 30.1 The contractor shall provide all necessary superintendence during execution of the work and as long thereafter as may be necessary for proper fulfilling of the obligations under the contract. 30..2 The contractor shall immediately after receiving letter of acceptance of the tender and before commencement of the work, intimate in writing to the Engineer-in-charge the name, qualifications, experience, age, address and other particulars along with certificates, of the principal technical representative to be in charge of the work. Such qualifications and experience shall not be lower than specified as under: i) Work with estimated cost Recognised Diploma holder Put to tender more than Rs..2 lakh But less than Rs.5 lakh. ii) Work with estimated cost Graduate or recognised Put to tender more than Rs. 5 lakh diploma holder with three years experience. 30.3 The Engineer-in-charge shall within 15 days of receipt of such communication intimate in writing his approval or otherwise of such representative to the contractor. Any such approval may at any time be withdrawn and in case of such withdrawal the contractor shall appoint another such representative according to the provisions of this clause. Decision of the tender accepting authority shall be final and binding on the contractor in this respect. Such a principal technical representative shall be appointed by the contractor soon after receipt of the approval from Engineer-in-charge

and shall be available at site within fifteen days of start of work

Page 41 of 64 Internet downloaded doc. 30.4 If the contractor (or any partner in case of firm/company) who himself has such qualifications, it will not be necessary for the said contractor to appoint such a principal technical representative but the contractor shall designate and appoint a responsible agent to represent him and to b present at the work whenever the contractor is not in a position to be so present. All the provisions applicable to the principal technical representative under the clause will also be applicable in such a case to contractor or his responsibleagent. The principal technical representative and/or the contractor shall on receiving reasonable notice from the Engineer-in-charge or his designated representative(s) in charge of the work in writing or in person or otherwise, present himself to the Engineer-in- charge and/or at the site of work, as required, to take instructions. Instruction given to the principal technical consultation with the Engineer-in-charge as well as during important stages of execution ofrepresentative or the responsible agent shall be deemed to have the same force as if these have been given to the contractor. The principal technical representative and/or the contractor or his responsible authorised agent shall be actually available at site at least two working days every week, these days shall be determined in work, during recording of measurements of work and whenever so required by the Engineer-in-charge by a notice as aforesaid and shall also note down instructions conveyed by the Engineer-in-charge or his designated representative in the site order book and shall affix his signature in token of noting down the instructions and in token of acceptance of measurements. There shall be no objection if the representative/agent looks after more than one work and not more than three works in the same station provided these details are disclosed to the Engineer-in-charge and he shall be satisfied that the provisions and the purpose of this clause are fulfilled satisfactory. 30.5 If the Engineer-in-charge, whose decision in this respect is final and binding on the contractor, is convinced that no such technical representative or agent is effectively appointed or is effectively attending or fulfilling the provision of this clause, a recovery shall be effected from the contractor as specified below :i) Rs. 4000/- per month for works costing above 5 lakhs ii) Rs.2000/- per month for works costing between 2 lakhs and 5 lakhs 30.6 The decision of the Engineer-in-charge as recorded in the site book and measurement recorded in Measurement Books shall be final and binding or the Contractor. Further if the contractor fails to appoint a suitable technical representative or responsible agent and if such appointed persons are no effectively present or do not discharge their responsibilities satisfactorily, the Engineer-in-charge shall have full powers to suspend the execution of the work until such date as a suitable agent is appointed and the contractor shall be held responsible for the delay so caused to the work. The contractor shall submit a certificate of employment of the technical representative/responsible agent alongwith every on account bill/final bill and shall produc evidence if at any time so required by the Engineer-in-charge. 30.7 The contractor shall provide and employ on the site only such technical assistants as are skilled and experienced in their respective fields and such foremen and supervisory staff as are competent to give proper supervision to the work. 30.8 The contractor shall provide and employ skilled, semi-skilled and unskilled labour as is necessary for proper and timely execution of the work. 30.9 The Engineer-in-charge shall be at liberty to object to and require the contractor to remove from the works any person who in his opinion mis-conducts himself, or is incompetent or negligent in the performance of his duties or whose employment is otherwise considered by the Engineer-in-charge to be undesirable. Such person shall not be employed again at works site without the written permission of the Engineer-in-charge and the persons so removed shall be replaced as soon as possible by competent substitutes. Compensation 31.1 The work (whether fully constructed or not) and all materials, machines, tools and plants, scaffolding, temporary buildings and other things during warlike connected therewith shall be at the risk of the contractor until, the work has been delivered to the engineer-in-charge and a certificate from him to situations that effect obtained. In the event of the work or any materials property brought to the site for incorporation in the work being damaged of destroyed in consequence of hostilities or warlike operations, activities covered by "excepted risk", the contractor shall, when ordered in writing by the engineer-in-charge, remove any debris from the site, collect and properly stack or remove in store all serviceable materials salvaged from the damaged work and shall be paid at the contract rates in accordance with the provision of this agreement for the work of clearing the site of debris. stacking or removal of serviceable materials and for the re-construction of all works ordered by the engineer-in-charge such payments being it addition to compensation upto the value of the work, originally executed before being damaged or destroyed and not paid for. In case of works damaged o destroyed but not already measured and paid for the compensation shall be assessed by the Engineer-in-charge upto Rs.5000/- and by the superintending engineer concerned for a higher amount. The contractor shall be paid for the damage/destruction suffered and for restoring the material at the rates based on theanalysis of rates tendered for in accordance with the provisions of the contract. The certificate of the engineerin-charge regarding the quality and quantity of materials and the purpose of which they were collected shall be final and binding on all parties to this contract. 31.2 Provided always that no compensation shall be payable for any loss in activities covered by "excepted risk" (a) unless the contractor had taken all such precautions against air raid as are deemed necessary by the A.R.P. Officers or the engineer-in-charge, (b) for any materials etc not on the site of the work or for any tools and plant, machinery, scaffolding temporary buildings and other things not intended for the work. 31.3 In the event of the contractor having to carry out reconstruction as aforesaid he shall be allowed such extension of time for its completion as is considered reasonable by the Engineer-in-charge CLAUSE 32 All electrical works shall be carried out in accordance with the provisions of Indian Electricity Act, 1910 and Indian Electricity Rule 1956 amended upto date. List of Rules of particular importance to building installations is given in Appendix B & C of CPWD General Specifications for Electrical W ork (external and internal) CLAUSE 33 Security Deposit of the work shall not be refunded till the contractor produces a clearance certificate from the Labour Officer. As soon as the work is Release of Security virtually complete the contractor shall apply for the clearance certificate to the Labour Officer under intimation to the Engineer-in-Charge. The Deposit after Engineer-in-Charge, on receipt of the said communication, shall write to the Labour Officer to intimate if any complaint is pending against the contracto labour in respect of the work. If no complaint is pending, on record till after 3 months after the completion of the work and/or no communication i clearance received from the Labour Officer to this effect till six months after the date of completion, it will be deemed to have received the clearance certificate and the Security Deposit will be released if otherwise due. CLAUSE 34 Without limiting the Contractor's obligations and responsibilities stated elsewhere in the Contract, the Contractor shall at his own cost arrange Insurance secure and maintain insurance in the joint names of the BSNL and the contractor with any of the subsidiary of the General Insurance Corporation of India in such a manner that the BSNL and the contractor are covered for all time during the period of contract i.e. the time period allowed for completion of work, extended period and the defect liability period. The insurance shall be effected in accordance with terms approved by the BSNL and the contractor shall submit the insurance policies to the Engineer-In-Charge within one week of signing of the agreement along with the receipt of premium. The contractor shall timely pay and submit the receipts of payment of premiums for extensions of policies, if any. The insurance shall cover the following: a) Contractor's All Risks Insurance The contractor shall insure the work for a sum equivalent to the Contract value or such additional sums as specified and the interests of the BSNL against ALL RISKS claims, proceedings, loss or damages, costs, charges and expenses from whatsoever cause arising out of or in consequence of the execution and maintenance of the work for which the contractor is responsible under the contract

b) Workman Compensation & Employers Liability Insurance.

Internet downloaded doo	This insurance shall be effected for all the contractor's employees engaged in the performance of the contract. The BSNL shall not be Ratio 420 of 6
	respect of any damages or compensation payable at law in respect of or in consequence of any accident or injury to any workman or any other person
	in the employment of the contractor and the contractor shall indemnify and keep indemnified the BSNL against all such damages and compensation
	and against all claims, demands, proceedings, costs, charges and expenses, whatsoever in respect or in relation thereof.
	c) Third Party Insurance.
	The contractor shall be responsible for making good to the satisfaction of the Engineer-in-Charge any loss or any damage to all structures and properties
	belonging to the BSNL or being executed or procured or being procured by the BSNL or of the other agencies within the premises of all work of the
	BSNL if such loss or damage is due to fault and or the negligence or willful acts or omissions of the contractor, his employees, agents,
	representatives.

٨G Page 43 of 64 Internet downloaded doc. The contractor shall take sufficient care in moving his plants, equipments and materials from one place to another so that they do not cause any damage to any person or to the property of the BSNL or any third party including overhead and underground cables and in the event of any damage resulting to the property of the BSNL or to a third party during the movement of the aforesaid plant, equipment or materials, the cost of such damage including eventual loss of production, operation or services in any plant or establishment as estimated by the BSNL or ascertained or demanded by the third party, shall be borne by the contractor. d) The contractor shall also at times indemnify the BSNL against all claims, damages or compensation under the provisions of Payment or Wages Act, 1936, Minimum W ages Act, 1948, Employer's Liability Act, 1938, the W orkman's Compensation Act, 1947, Industrial Disputes Act, 1947 and Maternity Benefit Act, 1961, or any modification thereof or any other law relating thereof and rules made there under from time to time. e) Contractor shall also at his own cost carry and maintain any and all other insurance(s) which he may be required to take out under any law or regulation from time to time. He shall also carry and maintain any other insurance, which may be required by the Engineer-in-Charge. 34.1The Contractor shall prove to the Engineer-in-charge from time to time he has taken out all the insurance policies referred to above and has paid the necessary premiums for keeping the policies alive till expiry of the Defects Liability Period. 34.2The aforesaid insurance policies shall provide that they shall not be cancelled till the Engineer-in-charge has agreed for cancellation. 34.3 Remedy on the contractor's failure to insure If the contractor shall fail to effect and keep in force the insurance referred to above or any other insurance which he/they may be required to effec under the terms of the contract then and in any such case Engineer-in-charge may without being bound to, effect and keep in force any such insurance and pay such premium or premiums, as may be necessary for that purpose and from time to time deduct the amount so paid by the Engineer-in-charge from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor BSNL SAFETY CODE 1. Suitable scaffolds should be provided for workmen for all works that cannot safely be done from the ground, or from solid construction except such short period work as can be done safely from ladders. When ladder is used, an extra mazdoor shall be engaged for holding the ladder and if the ladder is used for carrying materials as well suitable footholds and handhold shall be provided on the ladder and the ladder shall be given an inclination not steeper than ¼ to 1(1/4 horizontal and 1 vertical) 2. Scaffolding of staging more than 3.6 m (12 ft.) above ground or floor ,swung or suspended from an overhead support or erected with stationery support shall have a guard rail properly attached or bolted ,braced and otherwise secured at least 90 cm (3 ft.) high above the floor of platform of such scaffolding or staging and extending along the entire length of the outside and ends there of with only such opening as may be necessary for the delivery of materials .such scaffolding or staging shall be so fastened as to prevent it from swaying f rom the building or structure. 3. W orking platforms ,gangways and stairways should be so constructed that they should not sag unduly or unequallly and if the height of the paltform or the gangway or the stairway is more than 3.6m (12ft) above ground level or floor level ,they should be closely boarded ,should have adequate width and should be suitably fastened as described in (2) above. 4. Every opening in the floor of a building or in a working platforms shall be provided with suitable means to prevent the fall of person or materials by providing suitable f encing or railing whose minimum height shall be 90 cm. 5. Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. No portable single ladder shall be over 9m (30ft) in length while the width between side rails in rung ladder shall in no case be less than 29 cm (111/2") for ladder upto and including 3m (10 ft) in length. For longer ladders, this width should be increased atleast 1/4" for each additional 30 cm (1foot) of length. Uniform step spacing of not more than 30 cm shall be kept . Adequate precautions shall be taken to prevent danger from electrical equipment. No materials or any of the sites or work shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The contractor shall provide all necessary fencing and lights to protect the public from the accident and shall be bound to bear the expenses of defence of every suit action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damages and cost which may be awarded in any such suit, action or proceedings to any such person or which may ,with the consent of the contractor be paid to compensate any claim by any such person. 6. Excavation and Trenching-A ll trenches 1.2m (4 ft) or more in depth shall at all times be supplied with at least one ladder for each 30m (100 ft) in length or fraction thereof.Ladder shall extend from bottom of the trench to at least 90 cm (3 ft) above the surface of the ground .The side of the trenches which are 1.5 m(5 ft) or more in depth shall be stepped back to give suitable slope or securely held by timber bracing, so as to avoid the dange of sides collapsing. The excavated materials shall not be placed within 1.5 m (5 ft) of the edges of the trench or half of the depth of the trench whichever is more. Cutting shall be done from top to bottom. Under no circumstances undermining or undercutting shall be done. 7. Before any rewiring work is commenced and also during the progress of the work, no electric cable or apparatus which is liable to be a source of danger or a cable or apparatus used by the operator shall remain electrically charged. 8. Those engaged in welding works shall be provided with welder's protective eyeshields. 9. The contractor shall not employ men and women below the age of 18 years on the work of painting with products containing lead in any form. W herever men above the age of 18 are employed on the work of lead painting, the following precaution should be taken a) No paint containing lead or lead products shall be used except in the form of paste or ready made paint. b) Suitable face masks should be supplied for use by the workers when paint is applied in the form of spray or a surface having lead paint is dry rubbed and scraped. c) Overalls shall be supplied by the contractors to the workmen and adequate facilities shall be provided to enable the working painters to wash during and on the cessation of work. d) Instructions with regard to special hygienic precautions to be taken in the painting trade shall be distributed to working painters. 10.Use of hoisting machines and tackle including their attachments, anchorage and supports shall conform to the following standards or conditions: i) a) These shall be of good mechanical construction, sound materials and adequate strength and free from patent defects and shall be kept repaired and in good working order. b)Every rope used in hoisting or lowering materials or as a means of suspension shall be of durable quality and adequate strength, and free from patent defects. ii) Every crane driver or hoisting appliance operator, shall be properly qualified and no person under the age of 21 years should be in charge of any hoisting machine including any scaffolding winch or give signals to operator. iii) In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley block used in hoisting or as means of suspension, the safe working load shall be ascertained by adequate means. Every hoisting machine and all gear referred to above shall be plainly marked with the safe working load. In case of a hoisting machine having a variable safe working load each safe working load and the condition under which it is applicable shall be clearly indicated. No part of any machine or any gear referred to above in this paragraph shall be loaded beyond the safe

working load except for the purpose of testing.

lownloaded doc	&G Page 4
	iv) In case of departmental machines, the safe working load shall be notified by the Electrical Engineer-in-charge. As regards contractor
	machines the contractors shall notify the safe working load of the machine to the Engineer-in-Charge whenever he brings any machinery to s
	of work and get if verified by the Electrical Engineer concerned.
	11. Motors gearing, transmission, electric wiring and other dangerous parts of hoisting appliances should be provided with efficient safeguard
	Hoisting appliances should be provided with such means as will reduce to the minimum risk of accidental descent of the load. Adequate precautions should be taken to reduce to the minimum the risk of any part of a suspended load becoming accidentally displaced. When worker
	are employed on electrical installations which are already energized, insulating mats, wearing apparel, such as gloves, sleeves and boots as may
	necessary should be provided. The worker should not wear any rings, watches and carry keys or other materials which are good conductors
	electricity. 12. All scaffolds, ladders and other safety devices mentioned or described herein shall be maintained in safe condition and no scaffold, ladder
	equipment shall be altered or removed while it is in use. Adequate washing facilities should be provided at or near places of work.
	13. These safety provisions should be brought to the notice of all concerned by display on a notice board at a prominent place at work sp
	The person responsible for compliance of the safety code shall be named therein by the contractor. 14. To ensure effective enforcement of the rules and regulations relating to safety precautions the arrangements made by the contractor shall be op
	to inspection by the Labour Officer or Engineer-in-Charge of the department or their representatives.
	15. Notwithstanding the above clauses from (1) to (15) there is nothing in these to exempt the contractor from the operations of any other Act
	Rule in force in the Republic of India.
	16. At every work place, First Aid Box shall be provided and maintained so as to be easily accessible during the working hours.
	NOTE: In case of difference or ambiguity in Hindi and English Version, the English version will prevail
	MODEL RULES FOR THE PROTECTION OF HEALTH AND SANITARY ARRANGEMENTS FOR WORKERS EMPLOYED BY
	BHARAT SANCHAR NIGAM LIMITED OR ITS CONTRACTORS
	1. APPLICATION These rules shall apply to all buildings and construction works in charge of the Bharat Sanchar Nigam Limited in which twenty or more workers a
	ordinarily employed or are proposed to be employed in any day during the period during which the contract work is in progress.
	2. DEFINITION

<u>CONTRACTOR</u>

THIS NIT CONTAINS 64 NUMBER OF PAGES

<u>EE(E)</u>

downloaded doc.	. 8G Page 4
	The contractor shall, before he commences his work on contract, display and correctly maintain and continue to display and correctly maintain, in
	clear and legible condition in conspicuous places on the work, notices in English and in local Indian languages spoken by the majority of the worker
	giving the minimum rates of the wages fixed under Minimum Wages Act, the actual wages being paid, the hours of work for which such wage a
	earned, wages periods, dates of payments of wages and other relevant information as per
	Appendix 'III'.
	5. PAYMENT OF WAGES.
	i) The contractor shall fix wage periods in respect of which wages shall be payable.
	ii) No wage period shall exceed one month.
	iii) The wages of every person employed as contract labour in an establishment or by a contractor, where less than one thousand such persons a
	employed, shall be paid before the expiry of seventh day and in other cases before the expiry of tenth day after
	the last day of the wage period in respect of which the wages are payable. iv) Where the employment of any worker is terminated by or on behalf of the contractor the wages earned by him shall be paid before the expiry of the
	second working day from the date on which his employment is terminated.
	v) All payment of wages shall be made on a working day at the work premises and during the working time and on a date notified in advance and in case the
	work is completed before the expiry of the wage period, final payment shall be made within 48 hours of the last working day.
	with is completed exfort on the wage period, man payment stand or linde with working day. (vi) Wages due to every worker shall be paid to him direct or to other person authorised by him in this behalf.
	vii) All wages shall be paid in current coin or currency or in both.
	viii) Wages shall be paid without any deductions of any kind except those specified by the Central Government by general or special order in this behalf
	permissible under the Payment of W ages Act 1956.
	ix) A notice showing the wages period and the place and time of disbursement of wages shall be displayed at the place of work and a copy sent by
	the contractor to the Engineer-in-Charge under acknowledgement.
	x) It shall be the duty of the contractor to ensure the disbursement of wages in presence of the Junior Engineer or any other authorised representative
	the Engineer-in-Charge who will be required to be present at the place and time of the disbursement of wages by the contractor to workmen.
	xi) The contractor shall obtain from the Junior Engineer or any other authorised representative of the Engineer-in-Charge, as the case may be,
	certificate under his signature at the end of the entries in the "Register of W ages" or the "Wage-cum-Muster Roll", as the case may be, in the following
	form: -
	"Certified that the amount shown in the column Nohas been paid to the workman concerned in my presence on"
	6. FINES AND DEDUCTIONS WHICH MAY BE MADE FROM WAGES
	(i) The wages of a worker shall be paid to him without any deduction of any kind except the following: -
	(a) Fines
	(b) Deductions for absence from duty i.e. from the place or the places where by the terms of his employment he is required to work. The amount
	deduction shall be in proportion to the period for which he was absent.
	(c) Deductions for damage to or loss of goods expressly entrusted to the employed person for custody, or for loss of money or any other deduction
	which he is required to account, where such damage or loss is directly attributable to his neglect or default.
	(d) Deduction for recovery of advances or for adjustment of overpayment of wages, advances granted shall be entered in a register.
	(e) Any other deduction, which the Central Government may from time to time, allows.
	(ii) No fines should be imposed on any worker save in respect of such acts and omissions on his part as have been approved of by the Chief Labor
	Commissioner.
	Note:- An approved list of Acts and Omission for which fines can be imposed is enclosed at Appendix-X.
	(iii) No fine shall be imposed on a worker and no deduction for damage or loss shall be made from his wages until the worker has been given a
	opportunity of showing cause against such fines or deductions.
	(iv) The total amount of fine, which may be imposed, in any one-wage period, on a worker, shall not exceed an amount equal to three paise in a rupee of the
	total wages, payable to him in respect of that wage period.
	(v) No fine imposed on any worker shall be recovered from him by instalment, or after the expiry of sixty days from the date on which it was imposed.
	(vi) Every fine shall be deemed to have been imposed on the day of the act or omission in respect of which it was imposed.
	7. LABOUR RECORDS
	(i) The contractor shall maintain a Register of Persons employed on work on contract in Form XIII of the CL (R&A) Central Rules 1971 (Appendix IV)
	The state of the s
	(ii) The contractor shall maintain a Muster Roll register in respect of all workmenregister in respect of all workmen employed by him on the workmenregister.
	under Contract in Form XVI of the CL (R&A) Rules 1971 (Appendix V)
	(iii) The contractor shall maintain a Wage Register in respect of all workmen employed by him on the work under contract in Form XVII of the C
	(R&A) Rules 1971 (Appendix VI)
	(iv) Register of accident –
	The contractor shall maintain a register of accidents in such form as may be convenient at the work place but the same shall include the following particular
	ars:
	a) Full Particulars of the labourers who met with accident.
	b) Rate of wages.
	c) sex
	d) Age
	e) Nature of accident and cause of accident D. Time and data of accident
	f) Time and date of accident
	g) Date and time when admitted in hospital
	h) Date of discharge from the hospital i) Pariod of treatment and result of treatment
	i) Period of treatment and result of treatment i) Percentage of loss of earning capacity and disability as assessed by Medical Officer.
	h) Claim required to be paid under Workmen's Compensation Act.
	k) Claim required to be paid under workmen's Compensation Act. 1) Date of payment of compensation
	m) Amount paid with details of the person to whom the same was paid n) Authority by whom the compensation was assessed

Page 48 of 64 Internet downloaded doc. v) The contractor shall maintain a Register of Fines in the Form XII of the CL (R&A) Rules 1971 (Appendix XI) The contractor shall display in good condition and in a conspicuous place of work the approved list of acts and omission for which fines can be imposed (Appendix X v) The contractor shall maintain a Register of deductions for damage or loss in Form XX of the CL (R&A) Rules 1971 (Appendix XII). vii) The contractor shall maintain a Register of Advances in Form XXIII of the CL (R&A) Rules 1971 (Appendix-XIII). i) The contractor shall maintain a Register of Overtime in Form XXIII of the CL (R&A) Rules 1971 (Appendix-XIV). 8. ATTENDANCE CARD-CUM WAGE SLIP i) The contractor shall issue an Attendance card cum wage slip to each workman employed by him in the specimen form at (Appendix-VII). ii) The card shall be valid for each wage period. iii) The contractor shall mark the attendance of each workman on the card twice each day, once at the commencement of the day and again after the rest interval, before he actually starts work. iv) The card shall remain in possession of the worker during the wage period under reference. v) The contractor shall complete the wage slip portion on the reverse of the card at least a day prior to the disbursement of wages in respect of the wage period under reference. vi) The contractor shall obtain the signature or thumb impression of the worker on the wage slip at the time of disbursement of wages and retain the card 9. EMPLOYMENT CARD The contractor shall issue an Employment Card in the Form XIV of CL (R&A) Central Rules 1971 to each worker within three days of the employment of the worker (Appendix-VIII) 10. SERVICE CERTIFICATE On termination of employment for any reason whatsoever the contractor shall issue to the workmanwhose services have been terminated, a Service Certificate in the Form XV of the CL (R&A) Central Rules 1971 (Appendi x-IX). 11. PRESERVATION OF LABOUR RECORDS All records required to be maintained under Regulations Nos. 6 &7 shall be preserved in original for a period of three years from the date of last entries made in them and shall be made available for inspection by the Engineer-in-Charge or Labour Officer or any other officers authorised by the Ministry of Communication in this behalf. 12. POWER OF LABOUR OFFICER TO MAKE INVESTIGATIONS OR ENQUIRY The labour officer or any person authorised by the Central Government on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of Fair Wage Clauses and provisions of these Regulations. He shall investigate into any complaint regarding the default made by the contractor or subcontractor in regard to such provision. 13. REPORT OF LABOUR OFFICER The Labour Officer or other persons authorised as aforesaid shall submit a report of result of his investigation or enquiry to the Executive Enginee concerned indicating the extent, if any, to which the default has been committed with a note that necessary deductions from the contractor's bill be made and the wages and other dues be paid to the labourers concerned. In case an appeal is made by the contractor under Clause 13 of these regulations, actual payment to labourers will be made by the Executive Engineer after the Superintending Engineer has given his decision on such appeal i) The Executive Engineer shall arrange payments to the labour concerned within 45 days from the receipt of the report from the Labour Office or the Superi ntending Engineer as the case may be. 14. APPEAL AGAINST THE DECISION OF LABOUR OFFICER Any person aggrieved by the decision and recommendations of the Labour Officer or other person so authorised may appeal against such decision to the Superintending Engineer concerned within 30 days from the date of decision, forwarding simultaneously a copy of his appeal to the Executive Engineer concerned but subject to such appeal, the decision of the officer shall be final and binding upon the contractor. 15. PROHIBITION REGARDING REPRESENTATION THROUGH LAWYER i) A workman shall be entitled to be represented in any investigation or inquiry under these regulations by: a) An officer of a registered trade union of which he is a member. b) An officer of a federation of trade unions to which the trade union referred to in Clause (a) is affiliated. c) Where the employer is not a member of any registered trade union, by an officer of a registered trade union, connected with the industry in which the worker is employed or by any other workman employed in the industry in which the worker is employed. ii) An employer shall be entitled to be represented in any investigation or inquiry under these regulations by:a) An officer of an association of employers of which he is a member. b) An officer of a federation of associations of employers to which association referred to in Cl ause (a) is affiliated. c) Where the employer is not a member of any association of employers, by an officer of association of employer connected with the industry, in which the employer is engaged or by any other employer, engaged in the industry in which the employer is engaged iii) No party shall be entitled to be represented by a legal practitioner in any investigation inquiry under these regulations. 16. INSPECTION OF BOOKS AND SLIPS The contractor shall allow inspection of all the prescribed labour records to any of his workers or to his agent at a convenient time and place after due notice is received or to the Labour Officer or any other person, authorised by the Central Government on his behalf. 17. SUBMISSION OF RETURNS The contractor shall submit periodical returns as may be specified from time to time. 18. AMENDMENTS The Central Government/BSNL may from time to time add to or amend the regulations and on any question as to the application/interpretation or effect of those regulations the decision of the Superintending Engineer concerned shall be final
